FARM NEWS
SEE RATION END ENGLISH MEAT

Rumours persist in trade channels that the United Kingdom meat trade will be restored to private enterprise by June, 1954. Supplies exceeding requirements have virtually removed the necessity of continuing rationing, if prices are kept at present levels. Latest estimates place 1953 bacon supplies at 600,000 long tons, compared with 515,000 in 1952. Imports will approximate 225,000 long tons, about two-thirds coming from Denmark.

Danish pig numbers for May showed a 4% increase over April and exceeded May, 1952 by 24%. The number of sows was 17% over a year ago.

BALLINAFAD
Vacation Bible School Popular at Ballinafad

A busy, happy time was spent by the leaders and children at the annual Bible Vacation School held here during last week. To begin the day the children gathered in the church and were led in a period of songs and hymn singing by Shirley Thompson. They were then divided into different age groups for lesson study, handcraft and recreation. There was an average attendance of forty-two children between the ages of four and twelve. Leaders for the school under the supervision of Mr. Russ were Janice Baker, Shirley Thompson, Roberta Gilpin, and Jim Kirkwood. Other part time assistants were Miss B. Hiltz, Marie Kerr and Joyce Farmer. The children also enjoyed an afternoon's swimming and paddling at Terra Cotta. The climax of the school was an open meeting Friday night in the church when parents and friends came to view the handwork accomplished and lesson work books on display. A splendid program of songs and stories was concluded by a ceremony for those boys and girls who had worked faithfully and obtained a high standard. The boys were "Knighthood" and the girls received the title of "Lady". Mr. Russ was chairman and expressed his appreciation to all those who helped to make the school such a successful and inspirational time for all concerned. Mrs. N. Sinclair voiced the thanks of the parents to the leaders for the splendid training and happy fellowship provided for the children.

Georgetown Man Weds Greta Crooks, Erin

All Saints' Anglican Church, Erin, decorated with standards of gladiolas and summer flowers, was the scene of the wedding on Saturday, August 1st, at three-thirty, of Greta Lorraine, only daughter of Mr. and Mrs. Harry Crooks, Erin, and Thomas Alfred Oates, of Georgetown. Reverend Drow of Christ Church, Mimico, officiated at the double ring ceremony, and soloist was Mrs. Charles Hull who sang "The Voice that breathed o'er Eden" before the service, and "O Perfect Love" during the signing of the register. Mrs. W. Cryderman played the organ.

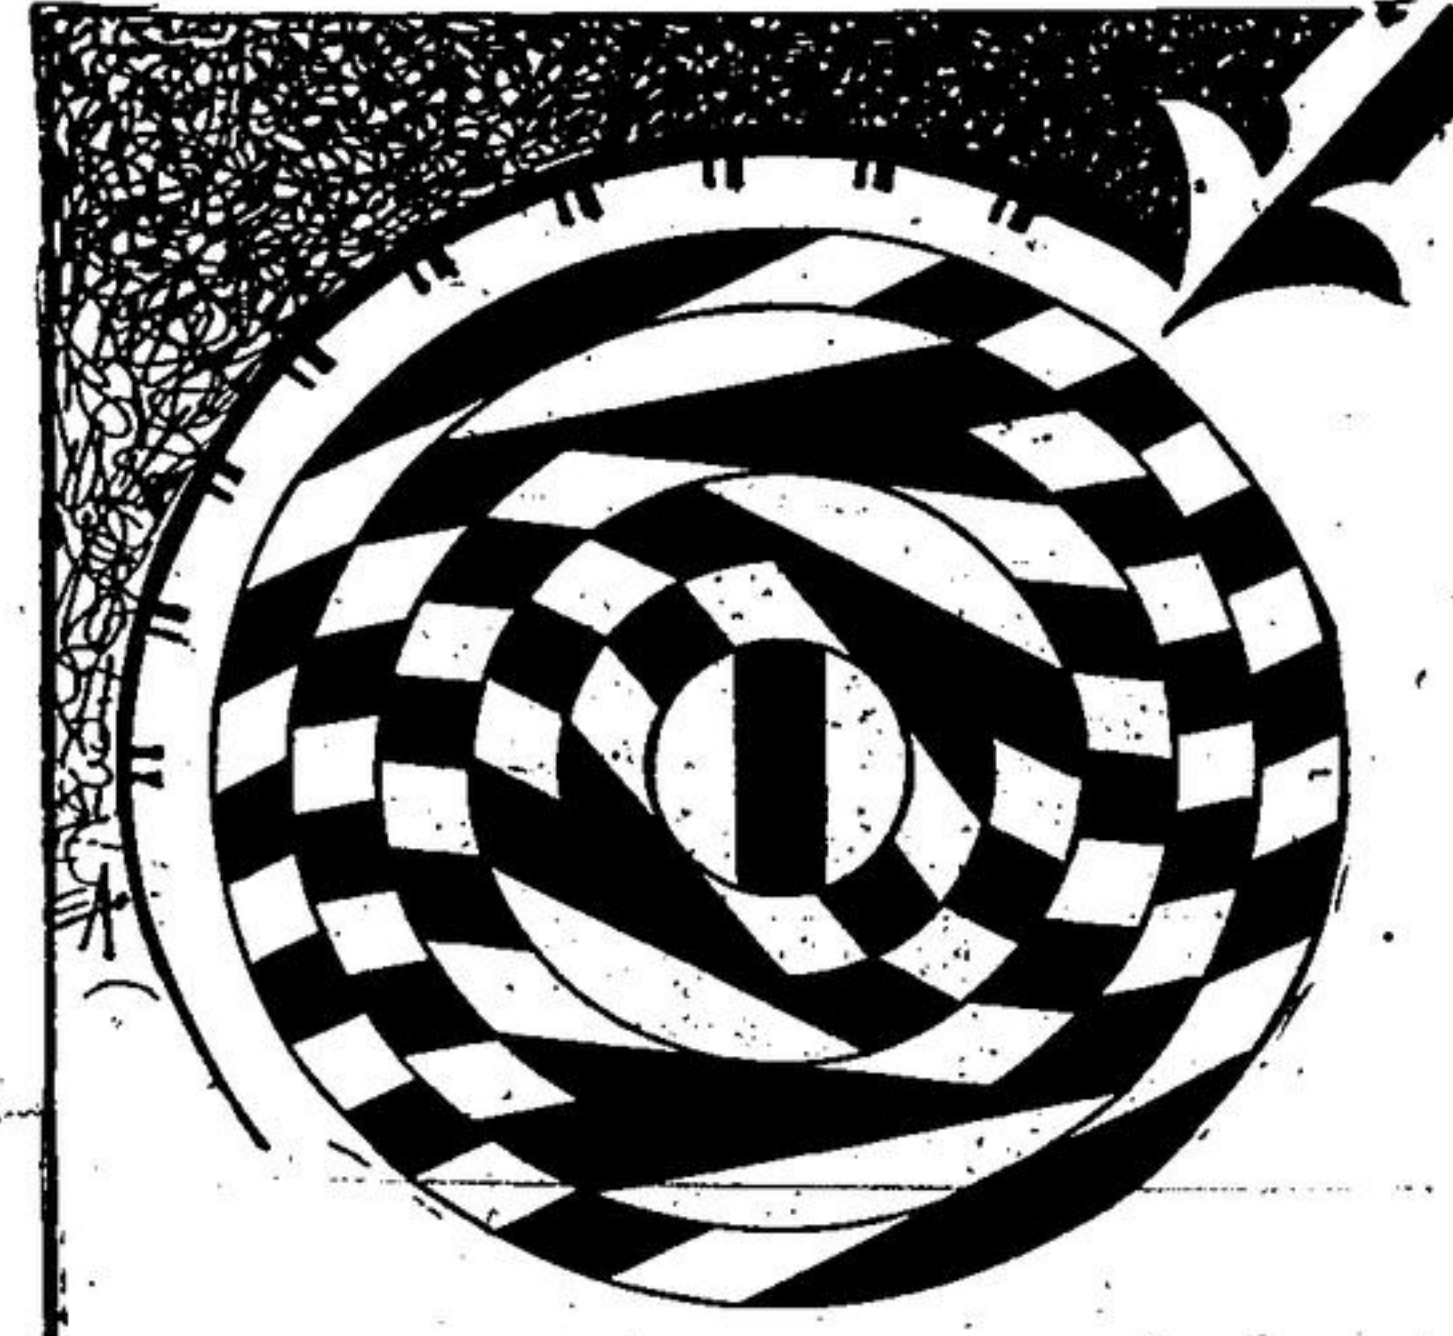

The bride, given in marriage by her father, wore a graceful floor length gown of white satin fashioned with bodice and overskirt of lace. Her finger-tip veil was caught to a tiara headdress, and she carried a cascade of red roses and stephanotis.

Her attendants wore gowns of taffeta, with sweetheart necklines and full skirts. Miss Ilene Oates as maid of honour chose pastel green, and Miss Dorothy Oates in orchid, and Miss Lillian Askin, in yellow, were bridesmaids. They all carried nosegays of tallman roses and stephanotis.

Groomsman was Jack Hillier, and ushers were George Farmer and David Turner.

The reception was held at the Busholme Inn, where Mrs. Crooks, mother of the bride, gowned in navy sheer with navy and white accessories and corsage of pink roses, received the guests. She was assisted by the groom's mother who chose floral nylon with white accessories, and a corsage of pink roses.

For travelling the bride donned a two-piece lilac suit with white accessories and a corsage of yellow roses.

GLEN WILLIAMS

Van Brussel-Feist Wedding Vows Here

The marriage of Vera May Feist of Brampton, formerly of Wembley, Alberta, and Walter Van Brussel of Toronto was solemnized in a double ring ceremony on Tuesday, August 4th in St. Alban's Church, Glen Williams.

Archdeacon W. G. O. Thompson officiated and the church was decorated with gladioli. The bride, daughter of Mr. William Feist of Wembley and the late Mrs. Feist, was given in marriage by her father. She wore a white ballerina length dress of embroidered nylon over faille taffeta with cathedral length veil and carried red roses.

Miss Nola Nelson of Weston, her bridesmaid, wore a ballerina length strapless gown of apple green faille taffeta, with nylon net overdress, matching bolero and veil, and carried yellow roses. Herman Van Brussel of Toronto was his brother's groomsman and Mrs. J. R. Williams was organist.

Following the ceremony a reception was held at the home of the bride's sister, Mrs. Wellington Riggs. Glen Williams. Receiving the guests, Mrs. Riggs wore a navy nylon crepe dress and corsage of pink roses. Mrs. Van Brussel assisted, wearing a navy and white crepe dress and corsage of red roses.

For a honeymoon trip to Lake Nipissing, the bride travelled in a delphinium blue dressmaker suit, white accessories and pink carnation corsage. Mr. and Mrs. Van Brussel will live in Malton.

Guests attended the wedding from Toronto, Brampton, Weston, Campbellford, Malton, Calgary and Wembley, Alta.

"This won't hurt a bit"

FIND IT HARD to relax in the dentist's chair? Then you'll be glad to know that the dentist's drill now has a rival — a new device which "drills" teeth by means of a fine spray of aluminum oxide powder. They say the new technique takes the "ouch!" out of having a tooth fixed.

Manufacturers in many fields keep coming up with new uses for aluminum. And our research people are often called on for help in finding a remedy for their production aches and pains. Many times the result is another Canadian plant opening up to make a new and useful aluminum product. Aluminum Company of Canada, Ltd. (Alcan).

FARM NEWS

PROMISING OUTLOOK IN GRAIN CROPS

Two inches of rainfall in the Hornby District on Tuesday of last week was reported, with similar amounts in other parts of the county.

Grain, in the stock, was, in many cases, on Friday, still too tough for satisfactory threshing. Combines and binders were, however, going again on both Thursday and Friday. While progress in harvesting has been retarded, the moisture was badly needed in most sections and consequently was very welcome.

By and large the grain crops are excellent. In the case of fall wheat reported yields of 40 to 50 bushels are quite common, with the occasional one approaching the 60 bushel mark. Some fields were hit by root rot due to too much moisture in May and June and yields will be somewhat lower. Taking the county as a whole, the average will be considerably above normal.

Spring grain while rather uneven due to too much moisture in the spring, is better than normal. Judging by the stocks, there is a tremendous amount of straw and some excellent yields have been reported.

Labor Day, Monday, September 7th is the next public holiday.
