**These Were Halton's  
Federal Candidates**

Past history, now, but these pictures of Halton's federal election candidates which appeared in a pre-election write-up in the Toronto Telegram were so good that we wanted to use them.

Successful candidate is Sybil Bennett, QC, Georgetown, who won Halton for the Progressive-Conservatives after 18 years, of Liberal administration. Partner in the Dale and Bennett law firm for sixteen years, she is national president of P-C Ladies, and a much sought-after public speaker.

Pictured with his wife and family, Stan Allen was CCF candidate. A carpenter at the Smith and Stone plant, union president and member of Georgetown Council, he served overseas with the Signal Corps in World War 2. Pictured above with Mr. and Mrs. Allen are their daughters June and Sharon. Son Bob is with the navy on the east coast.

Murray McPhail, Liberal candidate, seen with his wife, daughter Margaret and son Larry, is a Campbellville resident. He farmed there until he took his present job six years ago as secretary of the Ontario Seed Dealers Association. He succeeded Hughes Cleaver, M.P. as Liberal leader in the county when Mr. Cleaver retired last year.

**FARM NEWS**

**Halton Farmer Has  
100 Bushel Oat Yield**

One hundred bushels of oats to the acre is a tremendous yield in any country in the world. We note in the 1950 report of the Statistics and Publications Branch of the Ontario Department of Agriculture that the average yield of oats for Halton County for that year is given as 43 bushels per acre and for the Province as 45.2 bushels per acre. We further note in the same report

that for the period 1882 to 1950 the average yield is given as 35.5 bushels. This year, however, we have heard of quite a number of local farmers who were getting 75 bushels per acre and up to 90 bushels. Last night we learned from Ernest Pell of Ormagh that his neighbour, Hugh L. Beaty had got a yield of 650 measured bushels of oats off six and a half acres. It so happens that Messrs H. L. Beaty and Ernest Pell exchange work in haying and harvesting and consequently Mr. Pell helped with the harvesting of the field in question. Is there anyone in the country who can beat that record for 1953?

While visiting in town with his son Leigh Bradbury, Rev. Wilfred Bradbury of Kincolith, B.C. preached at the morning service in St. George's Anglican Church on Sunday.

In the afternoon Mr. Bradbury officiated at the christening of his grandson, Neil Maxwell Bradbury, son of Mr. and Mrs. Max Bradbury

of Limehouse, which took place at St. George's. The baby's uncles, Leigh Bradbury and Finley McCalmum were godfathers, and Mrs. Leigh Bradbury was godmother.
