LEGION NEWS

This Sunday will be the date for that annual gala event, the Branch corn roast. It is expected that a big crowd will be on hand, and chairman Sam Tennant has guaranteed a good supply of corn for everyone. Details will be on the bulletin board.

The Imperials district meeting will be held later this year in the local Branch.

It is quite a number of years since the last meeting of this type was held here.

The W.A. are busy these days arranging everything for their big anniversary dinner and social to be held on the 14th. Mrs. T. F. Grievé, the chairman, announces everything is going ahead on schedule and it's going to be one of the biggest evenings in the Branch's history. Mrs. Grievé (who incidentally celebrated her birthday last Friday at the Friday evening social) was the first president of the Auxiliary and is a member of their present executive.

Wonder if the boys are going to compete in that District Football tournament? Right now it seems to be blowing hot and cold.

Saw a number of the local boys marching in the Warriors' Day parade last Saturday. Among them Perc Chaplin with his old outfit, Goodyear. He tells us that this was his swan song with his old employers.

More People Buy

than any other car!

Make no mistake about it

CHEVROLET is the LEADER!

1ST in Sales! 1ST in Value! 1ST in Demand!

Only one car can be the leader! Only one car can be the favorite! Only one car can be the most-sought, most-bought car in Canada! That car, year-in, year-out, is Chevrolet. In the first six months of 1953, according to the latest official registration figures, Canadians bought 41,660 Chevrolets. This is 12,401 more cars than were sold by its nearest competitor — dramatic proof of Canada's continuing preference for Chevrolets!

The tremendous popularity of Chevrolet means lower production costs. It means big savings that are passed on to you! And because Chevrolet value lasts, there are extra dollars for you when you trade in your Chevrolet, for Chevrolet consistently shows highest trade-in values of any car in Canada! Final proof of good value is the loyalty of Chevrolet drivers, a loyalty that grows stronger with every new year — with every great Chevrolet we build.

Although other cars are available, thousands of Canadians are waiting patiently to get their Chevrolet. No other car will do! Surely this is proof of Chevrolet's superiority . . . and its unchallenged place in the hearts of Canadian motorists.
