Resigns as Caretaker
After 28 Years at GHS

Caretaker at Georgetown High School for 28 years, Jack Evans has tendered his resignation effective the end of this month. Mr. Evans has been troubled with arthritis for some time, and his decision to retire has been forced by his inability to carry on the work entailed. North Halton High school district board, which administers the Georgetown school is advertising for applicants for the position. Popular with staff and students alike, Mr. Evans will be greatly missed at the school where he has been employed since leaving the Creelman Company.

Halton Cattle Prominent
In CNE Dairy Show

Despite the high temperature of last week, the CNE dairy shows were superior to those of a year ago. However, nothing like the heat has been experienced in the past twenty-five years — to say the least, it was tough on both man and beast. The coliseum and cattle barns were like furnaces — as a result the ringside was much below normal. Halton was represented in three breeds, Holstein, Jersey, and Guernsey, and in all these breeds, Halton may well be proud of the result of their efforts. Hunter and Sherwood Get Reserve Hunterholme R.A. Supreme took the red ribbon in a strong class of ten two year old bulls for Messrs. A. G. Hunter and M. C. Sherwood of Nelson Township. This great bull bred and exhibited by Mr. Hunter went on to take both the reserve senior and reserve grand championships — the grand championship for males went to last year's CNE champion, Illehee Sovereign Supreme owned and exhibited by H. C. McCloskey of York County. Black and White breeders will get a greater appreciation of this Halton achievement when they realize this meant beating J. M. Fraser's Spring Farm Fond Hope.

Another Halton Holstein bull which made history was Ross Segsworth's Spruceleigh Fond Hope Minor. The Halton bred bull took first in the junior yearling class, and then went on to the junior male championship. Other Halton Holstein awards in the male classes were as follows.

Junior bull calf, Elton McLean, sixth; Senior bull calf, R. C. Alexander (fourth); Gordon Sinclair (fifth); Senior Yearling, Hays Ltd., (third); Gordon Sinclair (fourth); 2 year olds, Hays Ltd. (third); F. O. Hunter and John Schertel (fifth); Aged bulls, R. C. Alexander (third); Females — 5 yrs. and over (Dry) J. F. Trimble (fifth); 5 yrs. and over (in milk), Ashville Farms Ltd. (seventh); 4 yrs. dry Ashville Farms Ltd. (third); 4 yrs. (in milk), F. O. Hunter (third); 3 yrs. (dry), F. O. Hunter (eighth); J. L. Neeldans 3 yrs. (in milk), Ashville Farms, Ltd. (third); 2 yrs. (dry) Gordon Sinclair (eighth); 2 yrs. (in milk) Ashville Farms Ltd. (fourth); Senior Yearling, Vernon Archer eighth; Ross Segsworth (ninth); Junior Yearling Hays Ltd. (sixth); W. H. Robinson; Senior Calf, R. C. Alexander, (eleventh); Junior Calf, R. C. Alexander (sixth).

Second On County Herd
In competition with nine other counties the Halton Holstein boys maintained their record of recent years by placing second to the Peel Herd. In third place was York, fourth, Wellington; 5th, Haldimand; 6th, Wentworth; 7th, Waterloo; 8th, Brant; 9th, Lincoln; 10th, Welland.

Jersey Breeders Take Two Reds
President Ken Ella of the Halton Jersey Club with the help of Featherstone Bros., Gerald R. Graham, Wm. Davies and Son, and Major Roberts, also gave a great account of themselves. This was all the more noteworthy when it is realized that the usual strong Lindale herd of M. C. Beaty was not out. Incidentally, Mr. Beaty was judging the Pacific Coast Show, which was held at the same time as the CNE.

Ken Ella set the pace by taking first on his great milking two year old — Rock Ella Ardena Daisy. Not to be outdone, Featherstone Bros. duplicated this achievement by taking the red ribbon on their milking three year, old, Avonlea Basil's Linda.

Other prominent awards won were as follows:
Senior bull calves, Featherstone Bros. (8th); Junior Yearling bull — M. C. Beaty (3rd); 2 yr. old bulls, Major Roberts (5th and 7th) Aged bulls, Gerald R. Graham (3rd); Wm. Davies and Son (4th); Milking Cows 4 yrs. and over, Gerald R. Graham (3rd); Featherstone Bros. (4th); Milking 3 yr. olds, Gerald R. Graham (6th); 2 yr. olds (dry), Wm. Davies and Son (8th); Senior Yearling heifer, Major Roberts (6th); Ken Ella (9th); Junior Yearling heifer, Featherstone Bros. (5th); Senior Heifer Calf, Featherstone Bros. (7th); Junior Heifer Calf, Ken Ella (6th); Get of Sire, Featherstone Bros. (2nd); Junior Get of Sire, Featherstone Bros. (3rd).

Second on County Herd
In the county herd competition for Jerseys, York took first with Halton second, Peel in the third spot, and Durham fourth.

McNabb Wins Kinghaven Trophy
M. T. McNabb & Sons repeated their triumph of a year ago, by again winning the Kinghaven Trophy for the top Get in the special Guernsey Get of Sire class for five animals. The McNabb herd took another first on their four year old dry cow, Glenorchy Jacqueline. Other Halton Guernsey breeders who took red ribbons were J. L. Chis-

holm, on his senior yearling bull, Arawana Banner's King, and Joyce Bros. on their great milking cow Normadale Imperator's May. Other prominent awards were as follows: Junior bull calf, Joyce Bros. (2nd) J. L. Chisholm (9th and 10th); Senior bull calf, McNabb (6th); Junior Yearling bull, McNabb (8th); 2 yr. old bull, Wm. G. Booth (4th); Bull, 3 yrs. or over, Joyce Bros. (2nd); Senior Heifer calf, Wm. G. Booth, (3rd); McNabb & Sons (6th); Joyce Bros. (10th); Junior Yearling Heifer, Joyce Bros. (3rd); J. L. Chisholm, (8th); Senior Yearling heifer, J. L. Chisholm (3rd); Junior Get of Sire, J. L. Chisholm (4th); Joyce Bros. (7th); McNabb and Sons (9th); Junior Herd J. L. Chisholm, (3rd); Joyce Bros. (7th); 2 yr. old heifer (dry), J. L. Chisholm (5th); 3 yr. old heifer (dry), McNabb & Sons (3rd, 4th and 8th).

Great Contribution by Exhibitors
The fitting, training, and showing of livestock at any show means a great deal of extra work and sacrifice on the part of the exhibitors. Under present day conditions of labour shortage, to exhibit at a major show such as the Canadian National where the livestock must remain for a week or more means that those who do, are making not only a tremendous sacrifice but also a great contribution to their fellow county breeders.

Square Dance Competition
Slated for Acton Fair

A square dancing competition will be one of the new features of the Acton Show at Acton Fair on Friday, September 18th and the popular 11th Field Regiment Populart Band will again take part in the big variety show in the arena. Saturday, September 19th will see a fine livestock show, road race, competitions, band and a big midway to make the fair at Acton one of the finest in the district. Final item will be the fair night dance in the Town Hall.

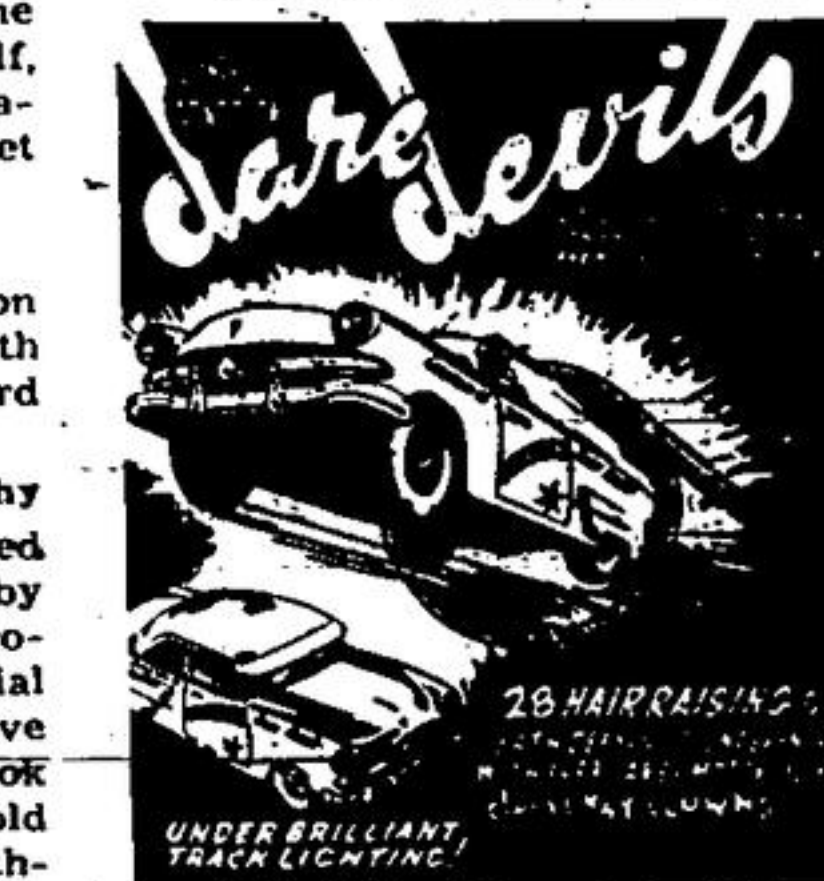

No Place
Like Home

True but TRUE.
Especially today when the cost of buying a new home is so staggering.

Moral? Make sure your home . . . your future comfort . . . is guarded with an adequate amount of the right kind of insurance.
