MRS. ELLERBY TELLS OF ACWW MEETINGS

Esqueuing Women's Institute September meeting was held at Mrs. William Walker's home, Mrs. Robert Harris presiding. The roll call was answered by mentioning an article containing Vitamin A. Articles to be used in the W.I. display at Georgetown Fair were shown and discussed. The guest speaker was Mrs. J. L. Ellerby, the district president. She reminded the members that the first Tuesday in October—the 6th, will be the District Directors' meeting in Milton, and the District annual meeting in Guelph September 28th and 29th.
Mrs. Ellerby's subject was the recent ACWW gatherings and meetings in Toronto. Speaking of the members from other countries and their representatives made the members realize that these countries are very real and that the women in the world have come a long way in the last 20 years. A motion of thanks was moved to Mrs. Ellerby for her address, to the hostesses for lunch — Mrs. R. Harris and Mrs. J. Stewart and to Mrs. Walker for entertaining the branch at her home.

Happy birthday to Ted Humphreys who will be 11 years old next Sunday, September 20th, also to Wendy Stewart who will be 1 year next Tuesday, September 22nd.
Miss A. Brown of Toronto visited with Mr. and Mrs. Humphreys for a few days last week.
Congratulations to Mr. and Mrs. Reid on the birth of a little son.
A number of the members of St. John's Church were at St. Stephen's Church, Hornby, Sunday morning to attend the service of confirmation conducted by the Rt. Rev. W. E. Bagnall, Bishop of Niagara.
Harvest Thanksgiving service will be held at St. John's Church next Sunday evening at 7:30 p.m. Rev. R. Price of Acton will be the preacher. Members of the congregation will meet in the church Saturday evening to decorate the church.
The W.A. meeting was held on Thursday afternoon at Mrs. Bailly's home.

FARM NEWS

SHORTHORN SALE IS OUTSTANDING SUCCESS

The annual Shorthorn Sale at Campbell Farms, Moffat, is rapidly becoming recognized as the outstanding sale of its kind on the North American continent. The sales arena at Campbell Farms as usual was packed to capacity and overflowing with Shorthorn enthusiasts from all parts of Canada and the United States. This year's offering on September 5th consisted of fifty head and the average of \$1958 indicates the high regard which the general public place on the type, quality, and blood lines offered.
The top cow with calf at foot brought \$2500. The first offspring to be offered for sale from that great herd sire at Campbell Farms, namely "Cock Robin" was sold at an even \$4000. Incidentally, she was a senior heifer calf. Grant Campbell is indeed to be congratulated not alone on the success which his efforts are meeting, but even more on the contribution he is making to the Shorthorn breed on this continent.
