## FARM NEWS

### ARCHER, HOWDEN, GO TO INTERNATIONAL

Twelve Halton Juniors mounted on tractors competed in the annual Junior Farmer plowing match on Saturday. The event was held on the farm of George Rae, near Hornby. Despite the lack of moisture in recent weeks, some excellent ridges were turned and Judge George Hbstrawser of Brampton commended the contestants on the general excellence of their work.

The awards were as follows:  
Class 1 (Contestants 16 years and under): Ross Austin, Earl Dunn, Don Taylor, Bill Speck.

Class 2 (Contestants under 21 years): Barry Archer, Arnold Howden, John Cunningham, John Bailey, Jim Ismond.

Class 3 (Tractor Mounted Plows, Boys under 21 years — Bert Speck, Howard Speck, Alan Emerson.

The two high contestants in Class 2, Barry Archer and Arnold Howden, will represent Halton in the inter-county competition with tractor plows at the International Match near Oshawa, in October.

The Halton Junior's Special to the Junior Farmer Club getting out the largest number of contestants, resulted in a tie between the Milton and Norval Clubs.

The J. E. Whitelock special for the high team of 3 members from any one Club was won by the Norval Club, their team members being Barry Archer, John Cunningham, John Bailey.

### Coronation, Orange Parade Highlights of Summer Trip

Home from three months abroad, Maureen Needham has many happy memories of a trip which took her all through the British Isles and to France, Switzerland, Germany and Belgium.

Highlights of her visit included the Coronation parade, viewed from a seat in Hyde Park and a 5-mile long parade which took four hours to pass the reviewing stand in Belfast on July 12th.

A native of England, Miss Needham has lived in Canada five years. She was overseas over four months, and visited with relatives at her old home at Felton Mowbray, Leics. She travelled both ways on the S.S. Atlantic which docks at Quebec, City.

## Legion Notes

COMRADES. How about being on hand for the regular monthly meeting for September this Thursday at 8 p.m. This is the first of the fall meetings and after the summer lay-off there's no reason why everyone shouldn't be out for it. The meeting will be short and lunch will be served afterwards.

WE HEAR one of the sports chairmen had a rude awakening early Sunday morning (about 1.30 a.m.) He was called to the phone for a long distance call from Guelph. It seems the boys who entered the golf tournament representing the local branch at Cutten Fields had become involved in a discussion with some of the other teams about "expense" money. (never heard of it!) Seems the St. Kitts branch were so ill advised as to allow their four man team \$75.00. Scotty phoned to thank Gord King, who was in charge of the affair, to thank him wholeheartedly for the magnificent amount Branch 120 let them have. Seems

that when green fees were paid, they had 75c left apiece for their very own! Never mind, fellows, next year with the tournament being in Windsor, we could probably allow you \$2.00 each, providing you supply your own transportation, of course.

The team comprised Ken Nash, Harv Chappel, Godfrey Collier and John Paterson. The boys were runners up to the two big guns in the tournament, Guelph and Windsor, the latter finally taking the championship. Gob says he might have won it, had the rest of the team been up to scratch!

WITH HOCKEY just around the corner, we believe last Saturday a number of local representatives attended a hockey meeting in Toronto, dealing with kid hockey. So it looks promising for the local small fry to have hockey again this winter.

THE LADIES of the Auxiliary certainly deserve the thanks of the entire Branch for their wonderful financial contribution to the Legion

### Mrs. A. J. Morris Was Sister of Mrs. Chester

Seriously ill for some time, Mrs. Alex J. Morris died September 10th at her home, 300 Manor Road E., Toronto. She was a sister of Mrs. Graydon Chester, Norval.

Mrs. Morris was the former Suzetta E. Turney. She is survived by her husband and five sisters and three brothers, Omar Turney, of Streetsville; Mrs. R. Canning (Correna), of Ottawa; Mrs. A. G. Ray (Gertrude), Rochester, N.Y.; Mrs. Graydon Chester (Gladys) of Norval; Grace and Norman Turney, Toronto; Mrs. G. A. Lymer (Enid) of Hamilton; and Fred Turney, Fort

on the occasion of their twenty-fifth anniversary. Let's hope that every member of the Branch justifies the faith and confidence placed in them by the ladies. Certainly the evening they had was a nice one and one that will be long remembered. A report of the banquet appears in the news columns of this issue.

Erie. She was predeceased by another sister, Mrs. Ted Stock of New Hamburg.

The funeral service on September 14th at the Murray Newbigging Funeral Home was followed by cremation at St. James Crematorium. Pallbearers were G. Chester, R. Canning, A. Ray, T. Stock, A. Lymer and M. Mitchell.

Woodlots and other small tree holdings supply 30 per cent of the pulpwood used by the Canadian pulp and paper industry.

# FORD TRUCKING

### Ford Trucks cost less to run!

Ford Economy Trucks save you money on every ton-mile of hauling—on any job you can name... because Fords have more time-saving, money-saving features than your trucking dollar ever bought before! Ford's great V-8 engines pack plenty of dependable performance for rugged hauling, while Power Pilot economy makes every gallon of gas go farther. Ford's Driverized Design—with shorter turning circles, greater manoeuvrability, easier steering, improved brakes and unmatched cab comfort—cuts operating costs to the bone!

### Ford Trucks cost less to maintain!

Ford Economy Trucks stay on the job faithfully, day after day, mile after mile. They work harder, last longer, keep repair and service costs to a minimum. Ford chassis construction, with new, sturdier deep-channel frames, provides more strength and rigidity without excess weight. Ford's big choice of Synchronic Silent transmissions—plus Automatic Transmission\* or Overdrive\* available on all 1/2-ton models—give smooth, quiet operation and longer service! The extra strength built right into every truck part pays off in durability and long life! (\*at extra cost)
