Legion Ladies Auxiliary Marks 25th Anniversary

Twenty-five years of service to the community was marked by the members of the Legion Ladies Auxiliary at an anniversary dinner in the Legion Auditorium on September 14th.

One of Georgetown's most active ladies organizations, the auxiliary has grown from an original membership of seventeen to over one hundred, wives of first war veterans being joined since 1945 by kin of men who served in the second world war.

Arranged by a committee headed by Mrs. Thomas Grieve, the banquet featured an address by Mrs. M. Richardson, provincial president, and highlight was presentation of a cheque for \$200 to the branch, which was received by Legion president Leslie Clark.

A number of toasts included the Queen, proposed by Mrs. J. Kemshead; The Ladies Auxiliary, by Lt. Col. Gordon Cousens, first president of the local Branch; to deceased members of the W.A. by Fred McCartney; and The Legion by Mrs. William Roney with Leslie Clark replying. Auxiliary president Mrs. Alex Taylor welcomed members and guests.

Musical entertainment included songs by Mr. and Mrs. Charles Day, Thomas Warnes, Mrs. James Blair, and Mrs. William Hewitt, with Mrs. Mary Morrow and Kenneth Gregory as pianists. Charter members received 25 year badges, and souvenirs presented to charter members, past presidents and visitors were attractive china novelties specially designed for the occasion by Mr. and Mrs. Jesse Wyatt of town.

Mrs. Grieve, who was president when the auxiliary was formed, gave an interesting historical account as part of the program.

Mrs. B. J. Greenaway, provincial president at that time, was present to help organize the ladies, and the first seventeen members included: Mrs. Grieve, president, Mrs. William Roney, vice president, Mrs. C. E. Stacey, Mrs. Henry Shepherd, Mrs. Fred McCartney, Mrs. J. Fields and Mrs. George Alcott, all still active in the organization; Mrs. Gordon Cousens, Mrs. J. S. Fry, and eight members now deceased. Mrs. E. E. Young, secretary, Mrs. J. Fry, treasurer, Mrs. F. Knight, Mrs. M. Stacey, Mrs. R. Armstrong, Mrs. James Roney, Mrs. Elizabeth Halpin and Mrs. Ethel Stokes.

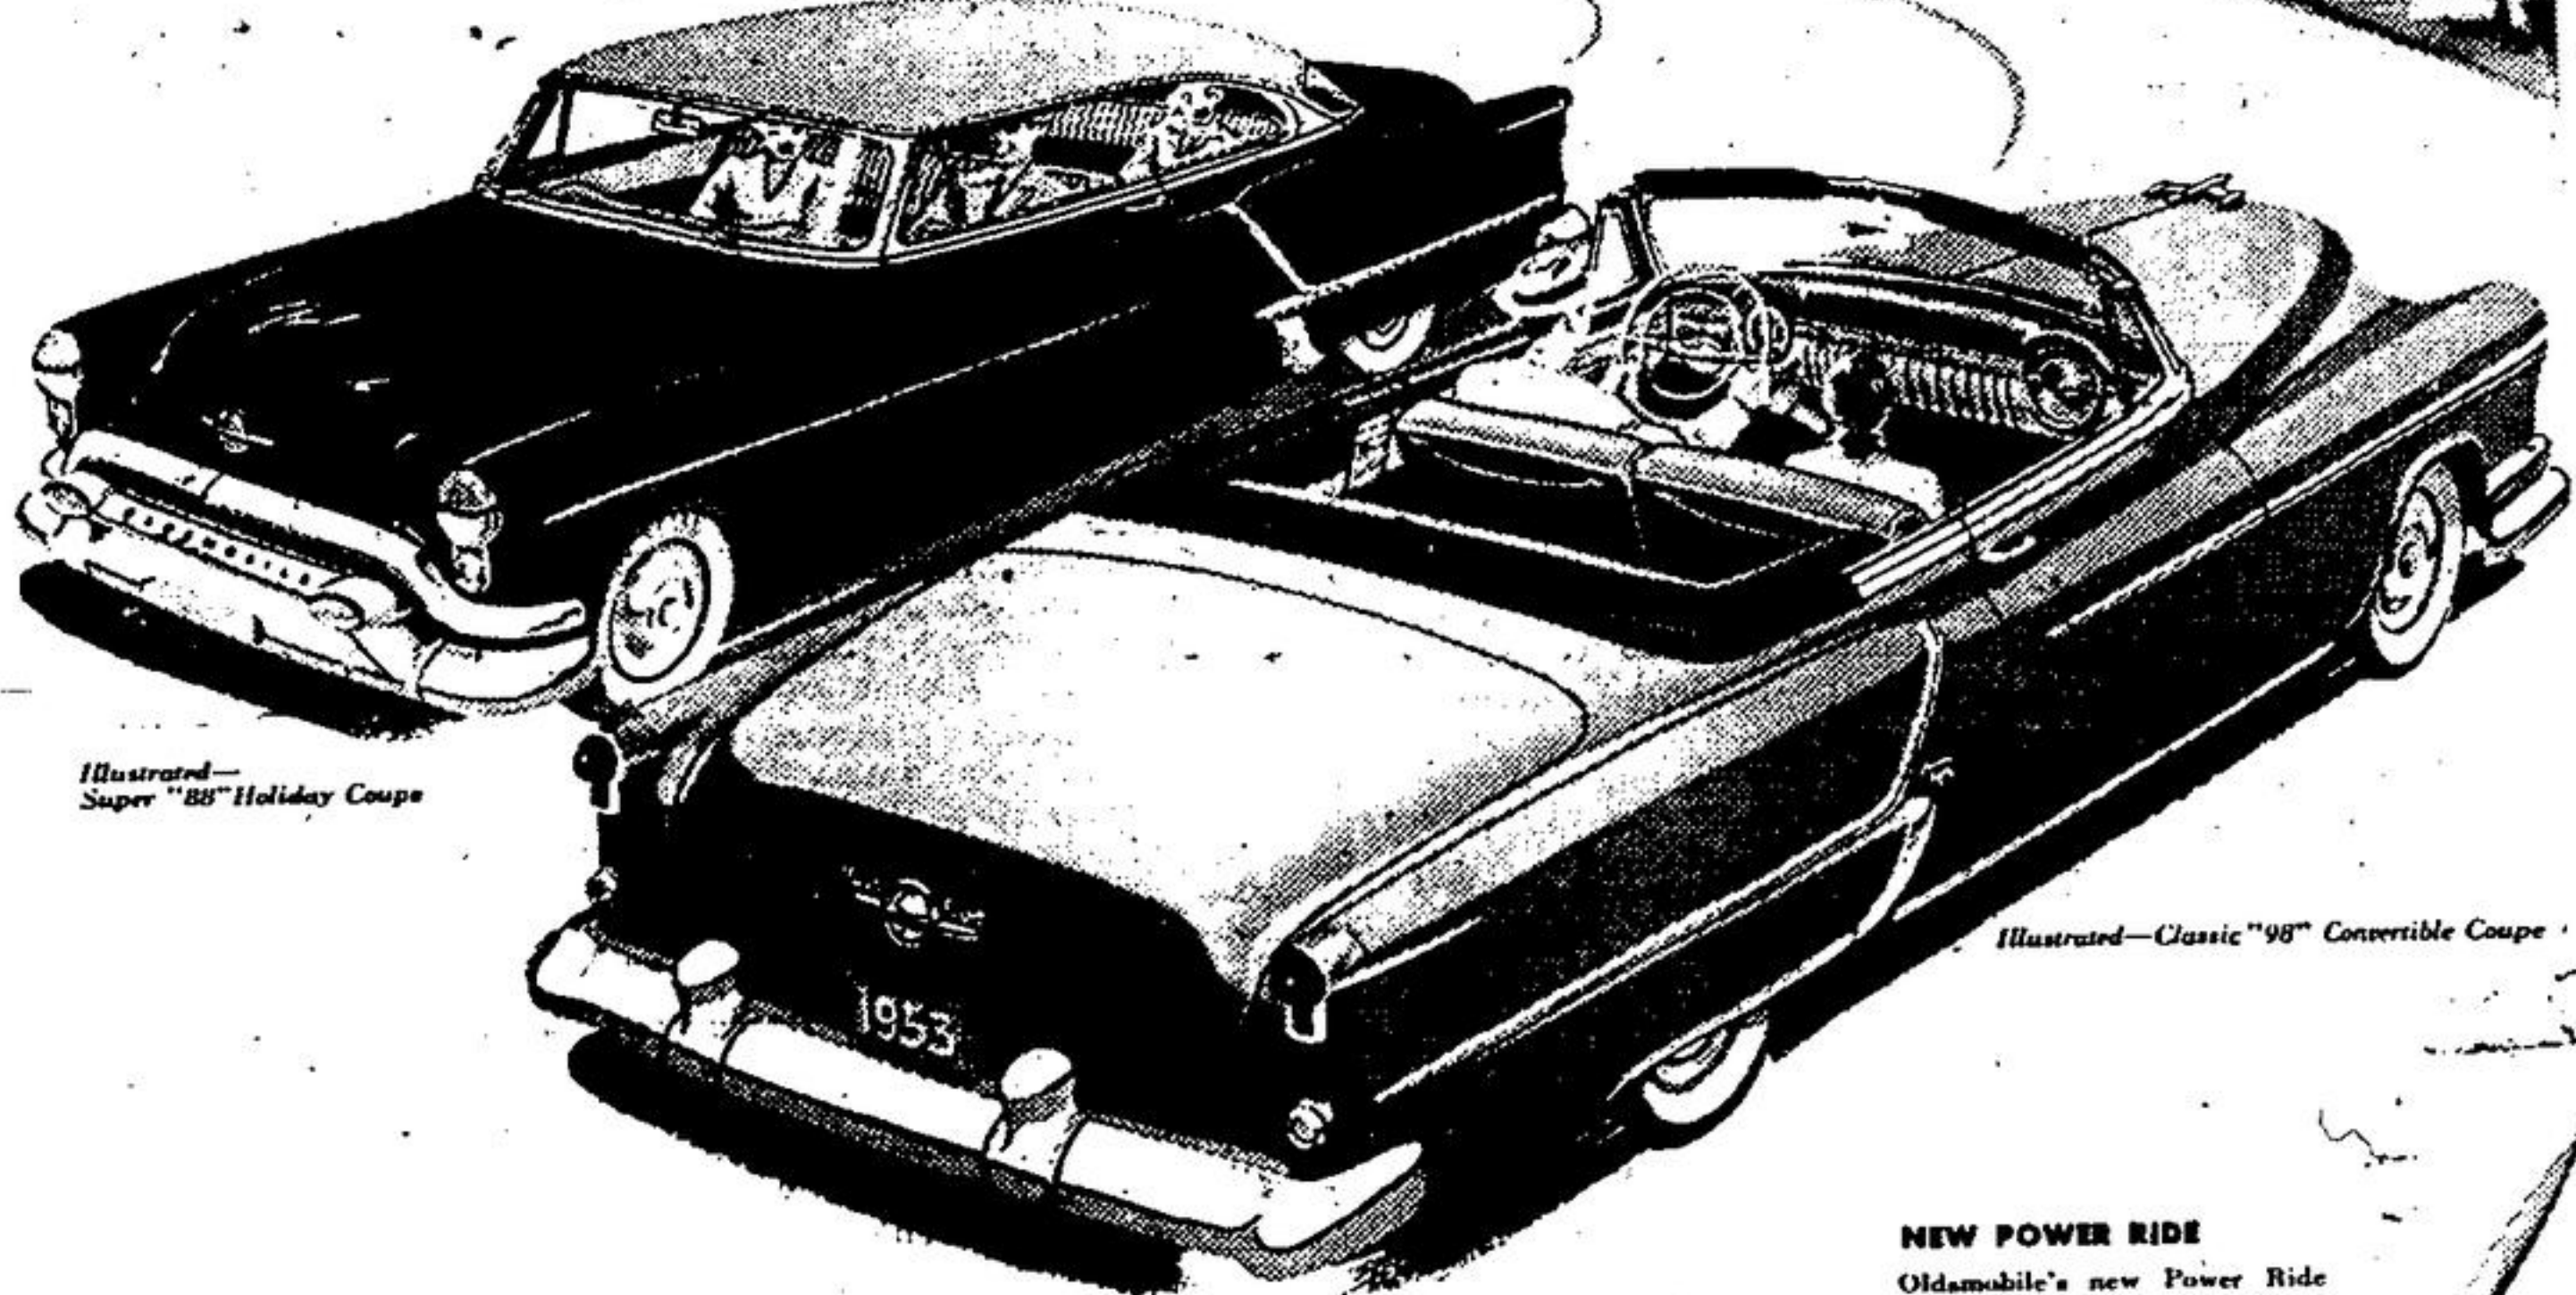

First funds raised by the new group were \$3.50 by raffle of a vegetable marrow donated by Mrs. Grieve, which paid for the necessary books and stationery. In the early days the men's organization had no means of raising money, so the auxiliary paid the rent and bought coal. Throughout the years, the ladies have purchased such equipment as dishes, furniture and curtains and stove, and pay a sizeable hydro bill four times a year. Particularly during the last war, they went all out to provide comforts for men in service. Poppy Day is another activity which gets full support from the Auxiliary.

Succeeding Mrs. Grieve as presidents have been Mrs. William Roney, the late Mrs. Fred Brasby, Mrs. J. Kemshead, Mrs. William Hadley, Mrs. C. E. Stacey, Mrs. Charles Parton and the present office holder, Mrs. Alex Taylor.

The auxiliary has come a long way since that day in 1928, not only in membership and activity, but also in a meeting place. The first meeting was held in the Old Town Hall, then a few months later the

Merry are the miles ahead

Merrily you'll go, wherever the journey takes you. Up hills, down dales, spinning happily past mileposts that seem surely too close together. Because if ever there was a car to take the effort out of driving, it's the 1953 Oldsmobile. Merry indeed are the miles that begin with a visit to your Oldsmobile dealer! Make a date with him now to see and drive the brilliant Super 88 and Classic 98!

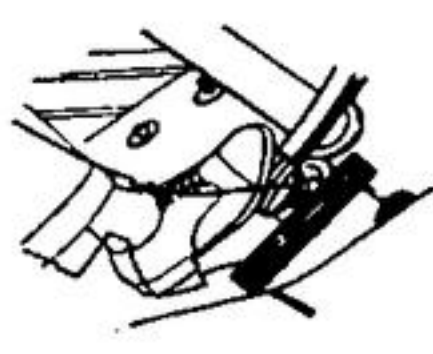

Illustrated—Super "88" Holiday Coupe

Illustrated—Classic "98" Convertible Coupe

POWER STEERING*
Cone is 80% of steering effort, leaving just enough "feel" to ensure complete control at all times. Oldsmobile Power Steering leaves you in command, but takes the work out of tight parking, sharp curves or rough, rutted roads.

NEW PEDAL-EASY POWER BRAKES
A brake with revolutionary application speed and sure stop ping-power. Just pivot your foot from accelerator to the low, light-pressure brake pedal and Oldsmobile Power Brakes go to work with faster, smoother stops than ever before possible.
*Optional at extra cost

NEW POWER RIDE
Oldsmobile's new Power Ride Chassis is an engineering masterpiece. Starting with the deep-ripped frame, and following through with wide-front tread, angle-set rear springs, centre control steering and high-capacity rear axle, a whole new conception of stability and safety has been built right into Oldsmobile's foundation.

meetings were transferred to a location above the present Carroll's Store. Still later, the Legion room was transferred to what is now an apartment on Mill Street. The present spacious hall is a far cry from early accommodation, and the up-to-date facilities in auditorium and kitchen are among the finest in the province.

SIREN SOUNDS TWICE BUT NO FIRE CALLS

Though the fire siren sounded twice last week, neither time was there a fire.

Friday night, while testing equipment, the siren at the CNR station was set off by mistake.

At the supper hour on Sunday, a false alarm was turned in when someone rang the alarm at the former fire hall.

THE ONTARIO MUNICIPAL BOARD

IN THE MATTER of Section 66 of "The Ontario Municipal Board Act" R.S.O. 1950, Chapter 262.)

— and —
IN THE MATTER of Section 67 of "The Ontario Municipal Board Act" R.S.O. 1950, Chapter 262.)

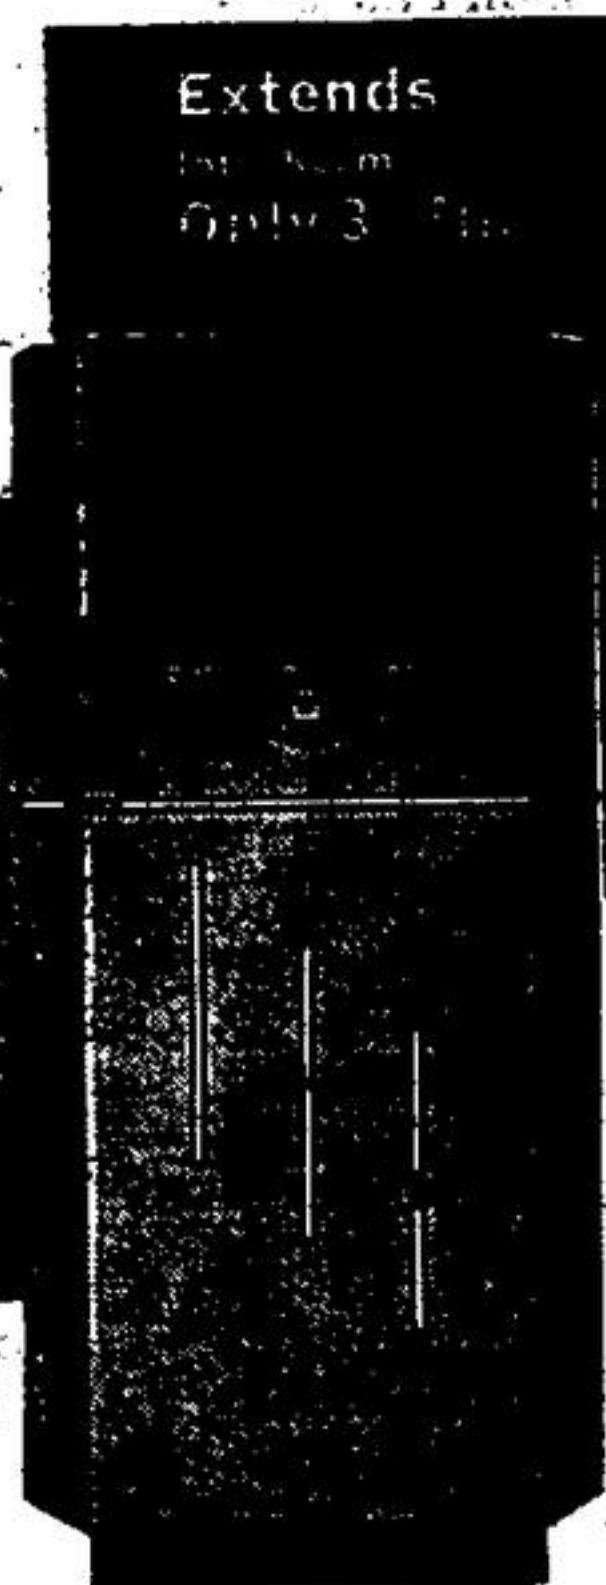

— and —
IN THE MATTER of an application of the Corporation of the Town of Georgetown for:

(a) authority to dispense with a vote of the ratepayers with respect to a proposed capital expenditure of \$27,000.00 for the widening of Ewing Street and Elm Street from No. 7 Highway to Ontario Street.
(b) approval of the said undertaking and capital expenditure.

APPOINTMENT FOR HEARING
THE ONTARIO MUNICIPAL BOARD hereby appoints Monday, the fifth day of October, A.D. 1953, at the hour of ten o'clock in the forenoon, in the Council Chambers, in the Town of Georgetown, for the hearing of all parties interested in support of or opposing this application.

DATED at Toronto this 15th day of September A.D. 1953.
(Sgd.) M. B. Sanderson,
Secretary, 9-30.

In-The-Wall Heating
Designed FOR ECONOMICAL SPACE SAVING INDOOR LIVING!

A powerful fan circulates clean heat out of both front and back of the furnace throughout the entire house. Thermatically controlled, without loss of heating space, is what MONOGRAM means to you.

Monogram Furnace

Complete Furnace Installation At Space Heater Price—

You will be way out ahead when you install the MONOGRAM In-the-Wall Furnace. It is an extremely efficient home heating unit that does a beautiful job of heating without using valuable space. MONOGRAM In-the-Wall Furnace can be easily installed through any inside wall in your home. It is designed to fit between studs and extends only three-and-one-half inches into the living room.

Clean, Quiet Gas Flame, Made from Oil, Correctly Controlled Zone Heating . . . Economical - Simple to Install . . .
