

CHORUS MAKES PRESENTATION

On Thursday, at a social hour after choir practice in St. John's church, a presentation was made to a recent bride, Mrs. Donald Rand. Members enjoyed an amateur radio program, followed by refreshments and Mr. Val Stein made a presentation speech while Mrs. Jack Bailey presented a twin relish dish to Mrs. Rand with the good wishes of the choir members.

RALLY DAY SERVICE FOR SUNDAY SCHOOL

A rally day service was held in the church on Sunday morning with the Sunday School superintendent Mr. Bob Cunningham assisting Mr. Williams from the pulpit. A choir of Sunday School scholars sang "Father lead me day by day," printed programmes were used, the theme being "Go, make disciples of all nations." Mrs. John Bell-boddy told the story "Bowa Begins a New Life." Mrs. Ward Brown-ridge and Mrs. James Carney gave out the diplomas and seals to the Sunday School scholars who have been doing such good work all year. The three Tindale children Sandra, Donald and Susan had perfect attendance 100 per cent. Marilyn Wil-son has completed her diploma so now gets her pin and Allan Brown-ridge his wreath this year. The Banner Class went to Mrs. Vern Pickett who has a class of 8 lovely little girls. Mr. Williams gave a short talk to the children and the service closed with that grand hymn "In Him There is No East nor West."

Mr. and Mrs. Wilfrid Bird and Evelyn were at the wedding of his niece, Miss Ruth Bird, on Saturday afternoon in Earls Court United Church, Toronto.
Our prominent swine breeder, Mr. Thomas Brownridge was at Stratford Fair last Wednesday judging all breeds of pigs.
Mr. and Mrs. Donald McNabb of Windsor are having two weeks holidays with his parents, Mr. and Mrs. Malcolm McNabb.
Mr. and Mrs. Frank Barnes and family, Mr. and Mrs. Ivan Halbert and baby Heather of Shelburne attended the Alexander reunion at the home of Mr. and Mrs. Mac Al-

exander of Norval last Sunday.
On Sunday evening, September 20th the Young People held their first fall meeting at the home of Bill Wilson with Margaret Bird and Ralph Cunningham in charge. This last Sunday evening, the 27th they held another meeting at the home of Barbara and Ralph Cunningham with Marion Bird in charge. Mrs. John Bird spoke to them.
The trees are starting to get their brilliant colours, the ladies have been busy preserving and pickling and good old Standard Time is back with us again, a sure sign that Fall is already here.
See you all at the Fall Fair on Saturday.

CHOOSE FOUR TEAMS AT YPU MEETING

St. John's YUP met Monday and the meeting was opened with a sing song led by Rev. John M. Smith. Mr. Smith later gave a talk on the five words "vision, decision, action, determination, and consecration" and their meaning in our lives.
A schedule was drawn up for the remainder of the year. The YUP was broken into four teams:
Group 1: Capt. Bev Hyde, Laura Evans, Ted Middleton, Allen Darby, Jim Sunnucks,
Group 2: Capt. Bill Whitney, Gail King, Audrey Bishop, Bill Hardman.
Group 3: Capt. Sue Crabtree, Anne Hyde, Gordon Greig, Paul Prust.
Group 5: Capt. Ross McGillivray, Eileen Oates, Betty Greig, Dale Tost.
Twenty Questions was played after and there were some pretty queer subjects used to stump the opposition, one of them being "bubble gum."

Stone School Association Plans Another Travel Show

The Stone School Association held its first meeting of the new school year at the home of Mr. and Mrs. R. E. Souther on September 21st. There were 25 present including three new members who were welcomed by the president, Gordon Kidney.
Final plans were discussed for the Wilkins Brothers lecture to be held in St. John's Hall, Georgetown in October. Mrs. John Glynn is convener of this event, and Mrs. Earl Trow was appointed convener of the candy which the members will make to sell on that night.
It was reported that since the last meeting in June, members of the association had made new screens for the windows, installed a new cupboard and painted the interior of the school.
The association has also purchased a table to be used for the projector which was bought last spring by the association with the help of the Farm Forum and the Silverwood Institute.
It was decided that \$12.00 should be allocated for the purchase of film strips to be selected by the teacher, Miss Marjorie Shaw.
Refreshments were served and a social hour enjoyed at the close of the meeting.

—Thankgivings Day is only a week away — Monday, Oct. 12th.

Solar stove

IN INDIA, scientists have worked out a way to cook food by sun-power. A polished aluminum bowl suspended above a cooking pot directs the sun's rays to a mirror, which reflects the heat to the bottom of the pot. It sounds a bit complicated to us — but the fact is that the solar cooker turns out a meal as fast as a 300-watt electric stove.

It's just one more indication that food and aluminum go together — in containers, utensils, foil and in the equipment used by the dairy and food processing industries. Aluminum Company of Canada, Ltd. (Alcan)
