DRUGGIST'S WIFE DIES IN GRIMSBY

A former resident, Mrs. W. Ray Watson, was buried in Acton this afternoon, after a funeral service in Grimsby.

Mrs. Watson died on Monday, as the result of a heart attack. Her husband was a druggist here for several years, and after he retired they continued to make their home here. For the past few years they had lived in Grimsby and spent the winter months in Florida.

Four Trophies Here 4-School Track Meet

Though Georgetown High School did not retain their championship won last year in the 4-school track meet, students took four individual trophies at the meet in Erin yesterday.

Eileen Oates was senior champion for girls and Diane Harrison duplicated this in the intermediate class. A new trophy presented by Sid Silver in memory of his father went to the girls' relay team and Paul Barber repeated his last year triumph when he won the 880 Open and the Tom Watson trophy for the second time.

Acton had a commanding lead in points to win the track meet. Milton was second, Erin third and Georgetown fourth. The local entry was handicapped by the absence of two star performers, Leanne Darou, who injured her knee the day before, and Dorothy Williams, who was sick.

Four Acton boys swept the individual championships, Don Dawkins, Wayne Arbie, Peter Hurst and Emerson Baxter. The remaining girls championships were won by Betty Anderson, Milton, Junior, and Helen Agnew, Milton, Denise Wright, Erin and Beth Ritchie, Acton, who were tied for bentams.
