**Halton's Dairy Show  
At Milton Fall Fair**

The dairy cattle show, held in conjunction with the Milton Fair, on September 28th while down in numbers, was still an outstanding success. A total of 327 entries were made in the Holstein Jersey and Guernsey shows.

While not the largest from the standpoint of numbers, in the opinion of many on the ringside, the Jersey show stole the laurels in high quality. According to a veteran Jersey authority, there were "twice as many good Jerseys at Milton, as at the Central Canada Exhibition in Ottawa in August despite the fact that there was a hundred more Jerseys at Ottawa than were at Milton.

The official judges in the three rings were: Holstein, D. S. Dunton, prominent Holstein breeder of Peel County; Guernseys, Adam Calder, of Glanford Station; and in the Jersey ring, Oswald Warman, of Brampton.
