

**Rollicking Romance at Roxy**

Most of us have given thought at one time or another of getting away from it all. The place usually chosen for such escape is the inevitable "desert island." But to few people comes the realization of getting there.

Now best thing to going off to an island paradise of one's own is watching someone else do it. Ample opportunity for this is offered in Paramount's new technicolor

comedy "The Girls of Pleasure Island," at the Roxy next week. This rollicking romance is set on a tropical isle where three lovely sisters, who have never known men of their own age, live an idyllic existence far from civilization. Into the peaceful scene comes turbulence in the form of fifteen hundred United States Marines who are sent to the island to build an air strip.

**MANY VISITORS HERE FOR HOLIDAY**

Thanksgiving Day has come and gone again and in this land of plenty we had a lot to be thankful for, we can truly say "It is good to give thanks unto the Lord."

Visitors in our midst for Thanksgiving week-end were: Mrs. Bert Martin of Toronto, with Mr. and Mrs. Frank Wilson and Marilyn; Mr. Albert Dunn of the University of Western Ontario, London with Mr. and Mrs. Jack Ruddell and sons; Mr. and Mrs. Hartley Anderson and children Peter, Virginia and baby Robert of Kirkland Lake with her parents Mr. and Mrs. Arthur Ruddell, Howson and Bill; little Miss Dianne Golden of Georgetown with her cousins, Catherine, Nancy and Ellen Hunter.

The Young People held their meeting on Sunday evening at the home of Jean and Margaret Bird with Elmer Bird in charge. Mrs. Leslie Giffen read them a paper on "Thanksgiving."

We are glad to report that Marilyn Barnes who has had a bad throat condition and Joan Drake with a badly hurt knee are both on the mend and we hope will soon be out and going around again.

No service in our church on Sunday as it is Hornby anniversary.

**MACKENZIE NEWS**

This is the weather when we wish Time could stop for a week or so, or at least drag his feet a bit.

We have the materials for the do-it-yourself crowd. A lot of week-end builders are improving and beautifying their homes by using wallboards, plywood, masonite, etc. Come in and see what is available to build, repair or paint.

See you enjoying the October sunshine.

You can't always tell,  
In this world of sorrow,  
Whether luck will always  
Come your way;  
So it's just as important  
To practice for tomorrow,  
As it is to look out  
For today.

**TRIBULATION vs. OPPORTUNITY**

Illness overtakes most of us, sooner or later, and to quite a number comes rather unexpectedly. Suddenly we are rushed to a hospital.

Statistics reveal that approximately 80 per cent of those hospitalized require surgical operations. Unfortunately for a large number they are serious and very costly.

One thousand and thirty eight family members of the Halton Co-Operative Medical Services, including some three thousand persons, have availed themselves against hospital costs and have the opportunity of protecting themselves against these costly operations also by making use of the Co-Operatives Surgical plan.

For the balance of the year applications will be accepted and be-
