MACKENZIE NEW

The cold wind doth blow and it would seem to be a good idea to take on an inside job. Nothing pays better in both comfort and cash saving of fuel, than insulation. You can easily insulate your ceiling yourself. Granulated fiberglass put in 2" thick costs 4 1/3 cents per sq. ft. If you use 2" fiberglass rolls the cost would be 5 1/2c and for 3" — 7c per sq. ft.

See you at the Home & School Theatre night on Thursday.

OPENS RADIATOR REPAIR BUSINESS

A new business will open in Georgetown on Friday when John Ireland opens Jack's Radiator Repair Service on Young Street.

Mr. Ireland is located in part of the Snyder Transport building beside Murt Allison's Massey-Harris agency. Experienced in all types of radiator work, he was employed at Coventry Radiator and Presswork Co. in the old country, working in the experimental division of the plant at Canby, Coventry. This large English firm makes radiators for such firms as Austin, Hillman, Ford, Ferguson and Daimler and his experimental work there has given him an excellent background for his own business.

His entry into business here will be a convenience to both the general public and local garages. Up to the present radiator repair work has been available, no closer than Brampton and Guelph.

Mr. and Mrs. Ireland and their daughters Joan and Valerie are living in the former Andy Hunter house on Main street North. Since coming to Canada nineteen months ago, they have been living in this district, first on King Street and later in Limehouse. He has been employed at the Avro plant at Malton as a sheet metal mechanic. During the war he served with the Royal Air Force as a flight sergeant, much of his service being in Singapore and the far east.

THIMBLE CLUB ADOPTS FRENCH WAR ORPHAN

Members of the Thimble Club learned details of the French boy they have "adopted" through the Greek War Relief organization, and planned to bring Christmas gifts for him to the next meeting, when the club met in the Community Hall on Thursday.

Two new members joined the club, Mrs. Ray Pinkney and Mrs. E. Mills. An Avon demonstration by Mrs. Jack Townsend, Inglewood, was the main feature of the program. President Mrs. E. Puckering was in charge of the meeting and the secretary, Mrs. Jim Emmerson read minutes and called the roll.

A family reunion at the home of Mr. and Mrs. Wes Ruffledge included her brothers and sisters who were all assembled together for the first time in several years. Present were Mr. and Mrs. Frank Cutts, Oakville, Mr. and Mrs. Charles Cutts, Acton, Mr. and Mrs. F. McEwan and Mr. and Mrs. Kess Van Goozen, of Guelph.

Robert visitors from Toronto with Mr. and Mrs. Henry Elwood were Mr. and Mrs. Earl Grant, Earl, Jr. and Evelyn Grant, Jean Codlin and Ronald Cameron.

Mr. and Mrs. Walter Hayward and Douglas of Guelph visited on Sunday with Mrs. H. Puckering and Morris.

Lloyd Miller and Harold Inglis have returned from a deer hunting trip north.

Bev Eves is attending a series of lectures at the University of Toronto with Sam Mackenzie one night each week.

Neretta Zilio, nurse in training at Guelph General Hospital, spent the week-end at her home here.

Mr. and Mrs. Leslie Iowan visited Sunday with her uncle and Mrs. and Mrs. J. McDonald, of Guelph.
