WHITE GIFT SERVICE ON SUNDAY MORNING

The White Gift Service was held Sunday morning in place of the regular lesson, the theme being "Christmas is Everywhere." Stories of Christmas in different lands were read by the children interspersed with Christmas hymns and prayers. The gifts were then brought forward and will be sent to the Scott Mission in Toronto. Mr. Russ spoke a few words saying that love must accompany our gifts to make them more acceptable. During the church service a mimeograph machine was presented by the president of the Evening Auxiliary, Mrs. F. J. Shortill for the use of the minister and was dedicated by Mr. Russ.
Mr. and Mrs. Willard Sanderson are the proud parents of a baby boy born Saturday morning.
The Mission Circle met Sunday afternoon in the church. The roll call was answered with an exchange of gifts. Mary Jennings will continue as president with Joyce Farmer as secretary and Vera Warne as treasurer.

Two Buildings Will Provide 23 Apartments

Construction of two apartment houses in town will fill a definite need in Georgetown and help ease the housing shortage which has been with us since the early war years.

A total of 23 apartments will soon be ready for occupancy in the Queen Street district. Facing on Albert Street, on property backing his own Queen Street home, Dick

Mrs. Smethurst was a visitor on Sunday with her daughter Mrs. C. A. Grant and Mr. Grant.

Mrs. McClean, Carol and Danny of Acton visited with Mr. and Mrs. C. Harrington on Sunday.

Happy birthday to Mrs. John Bird of the 6th Line this Wednesday, December 9th.

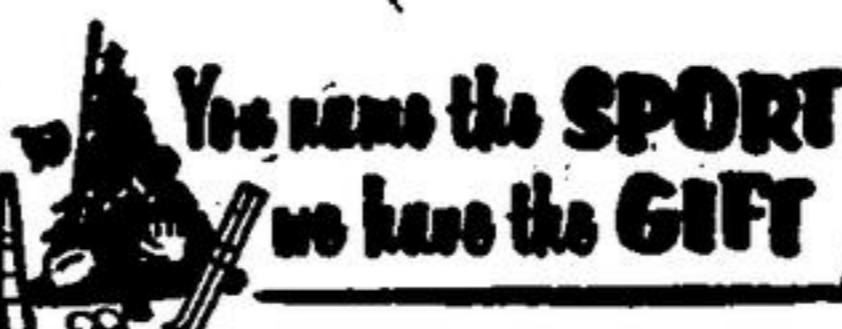

Stewarttown LOL 68 held their regular monthly meeting on Monday evening, December 7th. Over thirty members were present, including county and district lodge officers, when the Orange degree was conferred on some new candidates.

Grace is building an apartment house which contains a total of six self-contained units. There are two large three-room apartments, each with living room, bedroom, kitchen—dining and bathroom, on each of the two main floors, and two bachelor apartments on the third floor. Mr. Grace, who has done his own contracting and a large part of the construction work himself, has finished the building in green insulating, and the building is certainly a fine addition to the neighbourhood.

Almost next door, and located beside the Grandview Apartments, is a large 15-unit building which Fletcher Construction is building for Mr. and Mrs. MacMurdo of Toronto. The MacMurdos plan to move out from the city and live there themselves.

The building has a red brick front on the Queen Street approach and will have a stairway entrance from Queen similar to the Grandview. The building contains three and four room apartments on three floors, with a rear entrance and a parking area on Albert Street. It has a frontage of 40 feet and is 80 feet deep.
