

FARM NEWS

FARM PONDS INSPECTED BY GOVERNMENT MAN

This past week John Turnbull, Agricultural Engineering Fieldman, accompanied Art Bennett, Associate Agricultural Representative, on an inspection tour of some 27 ponds constructed in 1953 under the Halton Farm Pond Policy. Unfortunately quite a number were either not finished or they were not properly fenced to keep out livestock and consequently do not as yet qualify for the subsidy. We understand from George Currie, chairman of the Halton Conservation Committee, that some 11 or 12 will receive their subsidies as soon as they render their statement of expenditures with vouchers attached.

TERRA COTTA Was Village Columnist For Half a Century

Oldest resident of Terra Cotta, and one who had faithfully chronicled news of the village for the Georgetown and Brampton papers for over half a century, James Redford Stringer, 88, died suddenly on Thursday.

Mr. Stringer had been a resident of Peel Manor at Brampton for the past few years and succumbed to a sudden heart attack.

A native of Terra Cotta, his mother died when he was a baby and he was raised by his grandparents, Mr. and Mrs. Redford Stringer. After their death he lived for many years with an aunt, Mrs. John Townsend, and for the past few years was with Mr. and Mrs. Wes Rutledge.

As a young man, he worked on various farms in the district, then was employed at the brickyard in Terra Cotta until it closed down. He maintained a great interest in the affairs of the hamlet and was always a "booster" for his birthplace and for the folks he knew so well.

Rev. G. L. Royal conducted the funeral service on Saturday at the McClure Funeral Home, Georgetown and interment was in Union Church Cemetery. Pallbearers were Wellington Stringer, Harvey Puckering, Wes Rutledge, Leslie Icam, Archie Eccles and Charles McNally.
