Passports TO FRIENDSHIP

CREATING goodwill for Canada wherever it goes, the Seagram Collection of Paintings of Canadian Cities has already been seen by over 150,000 people in San Juan, Havana, Mexico City, Caracas, Buenos Aires, Sao Paulo, Rio de Janeiro and Montevideo... and in Rome, Paris, London and Geneva. Still ahead are The Hague, Madrid and Stockholm—and a visit to our Armed Forces in West Germany to give Canadian servicemen stationed in this theatre a graphic glimpse of home.

These 52 original portraits of 22 Canadian cities especially painted for The House of Seagram by Canada's distinguished artists, dramatically present the metropolitan aspect of this great country of ours... building a 30,000-mile path of friendliness and goodwill... bringing to the peoples of

other lands an appreciation of the cities our people have built, and a realization of our vitality and our future.

Accompanying the Seagram Collection on its year-long International Tour are 48-page full-colour booklets which are available to all who visit this unique exhibition of Canadian paintings.

These "Passports to Friendship" are printed in 5 languages. They contain colour reproductions of the paintings of the 22 Canadian cities with a significant commentary on each city by B. K. Sandwell, noted Canadian author. All across Latin America and Europe thousands of people have carried home these attractive records of Canada's skyline and, through them, have become more fully informed about this great and vital land—Canada.
