**MACKENZIE NEWS**

Groundhog day is past and gone and we'll probably have six weeks more winter.

Now is the indoor painting season. Using Over-awl Color-ette it is possible to use semi-gloss for your woodwork and flat for your walls all in the same shade. We also carry Timberlox, plaster primer, and Timberlox products for floors and natural finishes. You're probably still shovelling snow.

**Win District Honors**

Two debaters representing the Young People's Association of Georgetown Baptist Church were announced winners of the Gualph Association when they defeated Kitchener and Stratford in recent contests.

Mrs. Douglas Peck and Richard Slenko proved their versatility in debating when they upheld the negative side against Kitchener, then debated the affirmative with Stratford on the subject "Resolved that capital punishment should be abolished."

The BYPU is a very active group and on Friday, the young people enjoyed a toboggan and skiing party when there was lots of snow. After many spills and much good fun, they went to the home of Mr. and Mrs. Douglas Peck for refreshments.
