SILVER-WOOD

Institute Member Knows
Ice Cream Cone Inventor

February meetings of Women's Institutes feature International Day and the Silver-Wood W.I. meeting held at the home of Mrs. D. Wil-kinson, had an interesting pro-gramme. A paper was read on the life of Syngman Rhee and also one based on an article on the white man in Africa, and an article was read on ice cream. The history of ice cream making covers many countries down through the ages, but of interest to local people is the fact that the ice cream cone was invented by a gentleman whom Mrs. Henderson Sr. knows as Mr. Love. He was the uncle of her son in law.

Mrs. R. Corbett, the president, was in the chair and the roll-call brought forth interesting answers of International interest, and Mrs. K. C. Lindsay's motto "No one is rich enough to be without a neigh-our" was most timely. The meet-ing voted to send the president as a delegate to the conference in Guelph during May; donation voted for the musical festival and plans made for a brush demonstration to be held next week. Mrs. George Jurt, Mrs. George Henderson and Mrs. Henderson Sr. brought in fin-ished articles for another two lay-ettes for the Children's Aid in Mil-ton. The Canadian Association of Consumers are having a contest, and all members were urged to sub-mit their ideas. A pleasant tea hour was enjoyed, hostesses with Mrs. Wilkinson being Mrs. George Jurt and Miss J. Redmond.

Our mail man, William Cunning-ham, on R. R. 1 has suffered a broken knee-cap caused by falling on ice. We are sorry he has had to be hospitalized and wish him a speedy recovery.

The Cock
and the Jewel

A COCK, scratching the ground for something to eat, turned up a Jewel that had by chance been dropped there. "Hol!" said he, "a fine thing you are, no doubt, and, had your owner found you, great would his joy have been. But for me! give me a single grain of corn before all the jewels in the world."
