RAISE FUNDS FOR POST SUNDAY SCHOOL

An auction sale at last Wednesday's meeting of St. George's A.Y.P.A. raised money which will be contributed by the group to Sunday School by Post, a missionary activity of the Anglican church.

Twenty-four new prayer books have been ordered by the A.Y.P.A. and will be presented to the church. The group is planning a dance after Lent.

President Bob Shimon, was in charge of the meeting and the devotional service was led by Brock Bradley. A speaker from Brampton will be the feature of the meeting next Wednesday.

Mackenzie News

March can be a lion after all. How about being prepared for the cold blasts by having in your bin another ton of coal. It is hard to beat anthracite for heat in winter weather. Nut or stove coal is \$26.00 per ton, Pea Coal \$22.00 per ton.

Rogers' Fire Fund

The executive, of Branch 120, Canadian Legion, has started a fund to assist Mr. and Mrs. Ted Rogers, and the following letter explains details:

Legion Members:

For the first time in many years, one of our members has suffered a complete loss of all his possessions . . . home, furniture, clothing, etc. There is no insurance coverage of any kind, so the loss is a total one.

As members and fellow comrades of Branch 120, let us try and help to the best of our ability. An initial objective of \$500.00 is being asked, and if every member should contribute only \$1.00, with what has already been received, we shall soon reach (and pass) our objective. Watch the thermometer in the Hall to see how the fund is growing. Contributions can be made to the Steward at the Legion Hall. You will help, won't you? Thanks!

Executive, Branch 120.

CONTRIBUTIONS TO BE IN BY SAT., MARCH 13

Everyone Can Help,

There are many non-Legion members who will want to help, and for convenience arrangements have also been made to take donations at the Herald Office and the two banks also.
