MERCANTILE PLAYOFFS

(continued from page 1)
and hitting hard, but their passes were not clicking as well as Warriors. After a scoreless first period Alexander opened for Warriors and a few minutes later Hunter made it 2-0 when a rebound came to him and he fired it past goalie King. Both goalies, King and Malby, carried their end of the load without faltering and save their teams on many occasions. Nowelski fired one home for Smith and Stone in the second. For 17 minutes in the third both teams battled even, until Bill Morris who up to this time had been a standout knocked the puck into his own net.
Smith and Stone opened all valves to score but George Webster broke from his own end with only seconds remaining and went in on King alone, made a beautiful play to pull him and dropped the winner in the right hand corner. These two go at it again Saturday afternoon.
Henry's Award last week went to George Webster, while this week Pic Dillon received this coveted award.

ERRORS CORRECTED IN CHESTER HILL OBITUARY

A regrettable error in an obituary of the late Chester Hill last week stated that he was predeceased by two brothers.
The item should have stated that he is survived by two brothers, James Hill, Glen Williams, and John Hill, Guelph, and predeceased by another brother, William Hill of Barrie.

STEWARTTOWN

MR. AND MRS. STADDON NEW RESIDENTS

We extend a welcome to Mr. and Mrs. Staddon who have come to live in Stewarttown in the house formerly occupied by Mr. and Mrs. John Foster and family.
Many happy returns to Bill Walker, whose birthday was missed for Saturday the 6th of March. Bill is 12 now.
The W.I. secretary, Mrs. C. A. Grant has received the W.I. Cook Books. It is quite a thing to have all the good housekeepers recipes in a book to keep.

POT LUCK SUPPER FOR DAUGHTERS

One of the year's highlights for the Daughters of St. George's is a party at the rectory and on March 1st, 32 members of the group had a pot luck supper followed by an hilarious evening of court whist.

Mrs. Irwin Noble and Miss Dorothy Parkinson won prizes. The kindness of Archdeacon and Mrs. W. G. O. Thompson as hosts for the evening was much appreciated by the ladies who belong to this active group of churchworkers.

- IF . . .**
- You wish to prepare for a stenographic position.
 - Your time is short.
 - You wish to learn a system that is simplicity itself and fast enough for general business dictation.
 - You want a system that is much easier to learn, read, and write than conventional shorthand.
 - You desire a course that can be mastered in a quarter or fifth of the time required for shorthand . . .

THEN . . .

Phone 1186 or 2282, or write for details about our new **HI-SPEED LONGHAND**, which is a system based on the familiar A-B-C's rather than the intricate symbols of shorthand.
A **HI-SPEED LONGHAND** class is starting on April 5, 1954, and it is suggested that enrollments be made well in advance of the opening date to assure students of seating accommodation.
