Minor Furnace Trouble But No Fire Call

Some furnace trouble at Esqueping Community Hall, Stewarttown, on Saturday which necessitated moving a party location to Norval that night, led to an exaggerated story. That afternoon, the fire siren blew in Georgetown on a couple of different occasions, when firemen were testing the sirens, and a story got around that they had had a fire call to the township hall.

Green is much in evidence today as Irishmen of all nationalities honour St. Pat.
