Tells Institute Ladies Of St. John Ambulance

Silver-Wood Women's Institute met at the home of Mrs. Henderson Sr. on March 12th and Mr. F. D. Blainey of the St. John Ambulance Association was their speaker.

The work of this great organization is well-known but it was brought very close to all members to hear of tragic fires and accidents and of the wonderful service given by the volunteer members of the St. John Ambulance Brigade. Mrs. H. Marchington was in charge of this meeting on Home Economics and Health; the roll call being to give a hint on home-nursing, and the motto by Mrs. Horace Bell "Eat wisely but not too well" was well written. Mrs. W. Norton gave the current events.

Donations were made to the Mental Health Penny Round Up, the St. John Ambulance and plans are being made for a eucure in aid of the Korean project for relief. The annual birthday party is also being planned. Layettes made by the members came in very handy for neighbors with a new baby who lost their belongings in a recent fire. The president, Mrs. R. Corbett, is to attend the conference early in May at Guelph. Hostesses with Mrs. Henderson were Mrs. George Henderson, and Mrs. Ern Batkin.
