Crank Phone Calls Worry Housewives

Local police are checking on a series of crank phone calls which have been made to Georgetown housewives. A man with a perverted mind has called various ladies and uttered obscenities over the phone. One lady was the victim on several occasions and reported the matter to the police, and it is unofficially learned that others, while not reporting have also suffered the same indignity.

English Bowlers Visit Newmarket in July

Schedules for all 1954 tournaments in District 9 were drawn up at a meeting last week in Streetsville, when twenty representatives from lawn bowling clubs met to make plans for the summer. President Claude Koutner and secretary treasurer Walter Gray represented Georgetown at the meeting. The provincial secretary, who represents 9,000 bowlers in the province, gave a resume of activities and mentioned a special event in July. An English bowling team will be visiting Canada and will play at Newmarket on July 7th against a picked team of twelve from the various clubs in District 9.

At RHP 895, Hornby, a busy evening saw the initiation of Sir Kt. George Bailey and conferring of two degrees, the Crimson Arrow and Gold Link and Chain, on Sir Kt. Ernie Rawson.

FARM NEWS

Norval Juniors Are Champs in Hockey

The Milton Milling Co. trophy, emblematic of the Junior Farmer inter-club hockey championship goes to the Norval Club for the coming twelve months.

The Junior Farmers, with the Acton, Milton, Norval and Palermo clubs participating, got their schedule under way last November. In the finals Norval and Palermo clubs battled it out with the series going four games before the champs were decided.

The fourth and final game of the playoffs was held in the Milton arena on Wednesday evening and what a game. While the players may lack some of the polish of Milton Co-Ops they more than compensated for this, with their aggressive

and do or die spirit. The large delegations who accompanied the rival clubs were kept at a fever pitch throughout. The two clubs entered the final period tied three all. While the Norval Club slipped in four goals in the final period to make the final score 7 to 3, and are worthy winners of the trophy presented by George Swan on behalf of the Milton Milling Co., nevertheless the score does not represent the closeness of the play.
