Hornby's Best Actress At Drama Festival

The War Memorial Hall, Ontario Agricultural College, Guelph, was the scene of the first inter-county Junior Farmer Drama Festival on Friday evening. The counties of Halton, Peel, Waterloo, and Wellington were represented and the large audience received a real treat in drama.

Halton was represented by the Milton Juniors who presented their play, "The Legend" which won the award at the Halton Junior Farmer Drama Festival held at Oakville a few weeks ago.

The members of the cast, Dorothy Course, Sheila Henderson, Geo. Clements, Dick Course and their director, Mrs. Charles McArthur, of the Milton High School staff, came in for a good deal of commendation for their choice of play and general performance, from the adjudicator, Albert State, vice president of the Hamilton Players Guild.

While the top award went to the Maryboro Junior Farmers of Wellington County for their presentation of "The Valiant" the Halton entry received Honorable Mention for second place in the strong competition.

The award for the best actress went to Sheila Henderson, of Hornby who repeated her triumph at the Halton Festival. Keith Dickson, of Wellington County, received the best Actor award.

Lenten Communion at St. John's Sunday

J. D. G.

The service on Sunday morning at St. John's United Church was the Lenten Communion service. Rev. John M. Smith read as his scripture lesson the account of Jesus' institution of the Lord's Supper and invited all those who sincerely believed in Jesus Christ as God's Son, our Saviour, and who loved Him as such, to partake at the Lord's table, obeying the Master's own injunction "This do in remembrance of Me." Believing also that Jesus feels the same toward us today, as he expressed to his disciples on that night of the "Last Supper": "With desire have I desired to eat this passover with you."

So as His servants it is right that we should sup with Him in this manner, in humility, repentance and reconciliation, yet as His guest and friend. It has often been said: "To sup with anyone, means best to get to know them," so the intimacy of this fellowship should mean that we know and love Jesus better, and consecrate ourselves anew to the advancement of His Kingdom, through a steadfast consistent living the Christian way, being Christlike, as well as believing.

There were 33 new members joined the fellowship of the church, and the eight new elders recently ordained, assisted in the dispensing of the elements.

Mr. Smith's story to the boys and girls was "Think and Thank." He showed them a sheet of white paper on which was a spot of ink, and asked them what they saw. Yes, they saw the black ink spot, as did the older ones, no mention of the large white surface. Mr. Smith pointed out that that is often how we see others, see the small black spot, and think little about the big white good things they do. And with ourselves we see the small things to grumble about, and think and thank little for the many good things we have. Every boy and girl present would have a good meal after service, more than one, a good home, clothing, school, church, etc. Yet in Calcutta in India for instance, it is said, there are two million children roaming the streets of the city, no home, no knowledge of their next meal, no nothing. In Korea the same huts made of packing cases, patched with tin from tin cans. Mr. Smith asked them to: "think and thank," pray and give, to help the hungry ones of our world, remembering what Jesus said: "Inasmuch as ye do it unto these." The choir's anthem was — "God so loved the world."

A TRUE LENT

It is a Fast to dole, thy sheaf of wheat and meal,
Unto the hungry soul.

It is to fast from strife, from old debate and hate,
To circumscribe thy life,

To show a heart grief-rent, to starve thy sin, not sin;
And that's to keep thy Lent.

Robert Herrick, 1591-1634.

The evening service was an illustrated talk on the life of Jesus, especially of the events of Holy Week, culminating in the crucifixion and resurrection. The pictures were beautiful colored and realistic, most of them with the modern conception of the artist Salmann, making a present day appeal. Each picture described by Mr. Smith, was really a sermon in itself, all conveying the deep love and concern of Jesus for all mankind, truly the world's Good Shepherd.

Tom Forgrave operated the projector. Miss Doreen Warwick was at the piano.

A bargain for Mrs. Renaud...

"When you have to do everything for two small children it's not easy to leave the house even for essential shopping," says Mrs. Bernard Renaud of 755 Desaulniers Blvd., St. Lambert, Que.

"I've really appreciated our telephone in the last few years. It means I can still pick up bargains I see in the paper and do my shopping in a matter of minutes . . . by telephone. So, my phone saves me money and gives me time to do other things that crowd my busy day. That's why I think one of the best bargains I ever bought was our telephone!"
