NOTICE

I have been instructed by the executive of Branch 120 and the officers of the Imperial Section of the Branch to inform the general public that Mr. William Broughton, whose letters have been appearing in the Herald, is not authorized to write on behalf of the local Legion Branch.

While a non resident member of the Branch, he does not hold any executive position in the Branch, and is not in any way an official spokesman for it. While perfectly entitled to his own opinions, I stress that he does not represent in any way the official views, or necessarily the opinions of any members of the Branch.

I might also add that relations between the Municipal Council and Legion Branch have, for many years been most cordial, and trust no misunderstanding will arise, through the publication of the aforementioned letters, which as already stated are not to be considered in any way, Legion communications.

Yours very truly,
Leslie M. Clark, President,
for the Executive,
Branch 120, Canadian Legion, BESL
