Radio's June Dennis
Hornby Tea Speaker

On Saturday afternoon, May 1st, the ladies of St. Stephen's Anglican Church, Hornby, held their first spring-terms tea in the new church hall. The attendance was over one hundred. The visitors were welcomed by the presidents of St. Stephen's Woman's Auxiliary and St. Stephen's Ladies Guild, Mrs. Wilfrid Thompson and Mrs. Clifford Hunter.

Mrs. William McClure of Brampton was present and favoured with two delightful readings. Misses Carole Hunter and Joan Harrop sang a pleasing duet accompanied at the piano by Mrs. Ernest Price.

The guest speaker was radio-broadcaster, June Dennis, who was introduced by Mrs. Foster Brain. Miss Dennis at once captivated her audience with her magnetic personality and friendliness. She is from Western Canada, born in Calgary, educated in the west, and for some time worked there, coming east nine years ago to enter radio work in Toronto. She related some of her experiences in radio and told some of the aspects of radio work, both serious and humorous. Miss Dennis mentioned that those in radio have always in mind the various types of people who depend to a great extent on radio for their entertainment—the shut-ins, the blind, the crippled, the people who live alone, the elderly, and broadcasters keenly realize they have a benign duty to perform for these many listeners. Having met Miss June Dennis, those who heard her at St. Stephen's tea, will listen with even greater interest to her broadcasts.

Tea was served with delicious sandwiches and small cakes. A home baking sale booth had been most attractively arranged at one end of the hall by Mrs. Edward Robertson and Mrs. Glenn Saunders, and was well patronized before the audience dispersed.

Halton Children's Aid
Society Has Served
The County 40 Years

Fortieth anniversary of service to Halton county was marked at the annual meeting of the Children's Aid Society in Milton Tuesday evening when over 75 members and guests gathered to approve year-end reports and hear an address by E. Majury, field supervisor for the Department of Child Welfare.

Prior to Mr. Majury's speech, Halton Superintendent G. F. Thompson recalled 1914 marks the tenth anniversary of the county society as such, but is the 40th anniversary of service by such an organization to this area. Mr. Thompson, who outlined a brief review of the nature and scope of work in the past year, has been superintendent of children's aid in this county for twenty five years.

The guest speaker, who noted Mr. Thompson was considered in the department as the dean of Ontario's superintendents, declared he was compelled to issue a challenge to his audience to instill a social conscience through the children of today.

After describing in familiar terms the necessity of youth being imbued with things of the spirit, Mr. Majury urged his hearers to motivate their work to insure the continuance of civilization.

The speaker was introduced by Mrs. M. J. Brown, Esquering, and thanked by K. Y. Dick, Milton. Presiding at the meeting was retiring president Mrs. W. A. Weaver, Burlington.

Directors for 1954, announced and approved by the membership, are: Mrs. O. E. Robbins, Mrs. J. W. Whitham, Acton; Mrs. R. Ellison, Mrs. A. E. Pickard, Bronte; Mrs. H. A. Sherriff, Mrs. C. McIntyre, Burlington; W. Deans, Rev. A. J. Calder, Georgetown; Mrs. M. E. Nixon, J. W. Higgins, Milton; Dr. H. V. Cranfield, F. Henry, Oakville.

Mrs. M. J. Brown, Esquering, J. M. Mahon, Nassagaweya; Mrs. V. Norris, Nelson; W. G. M. Robinson, Trafalgar; R. Marshall, S. Childs, county council.

Officers named, to be approved by the directors, are: W. G. Robinson, chairman; Dr. H. V. Cranfield, Oakville; Mrs. V. Norris, secretary; W. Deans, treasurer.

The treasurer's report stated receipts for the year ending March 31, including grants, donations, fees and other, amounting to \$30,406.00.

The report also noted 122 new or reopened protection cases in the year, with 77 open at the end of the year against 81 open at the first of the year. About 436 children were involved in these cases.

The society dealt with 31 cases of unmarried parents, 40 adoptions were completed in the year. Visits totalled 2103, while office interviews totalled 434. The society now has 119 children under care in various homes.
