*Mackenzie News*  
  
One way to be ahead this year is to put your coal in during May under our Budget plan.  
For 4 tons of Nut coal pay \$0.60 down and six monthly payments of \$14.83. For stove coal the down payment would be \$9.80 and the monthly payments \$15.16. This would have your coal all paid for in November.  
See you putting in the garden this week. (We hope.)

dear Margaret,  
And our hearts are filled with pain,  
Oh this earth would be a heaven,  
Could we hear your voice again.  
Two years have swiftly passed away,  
But still we don't forget.  
For in the hearts that loved you best,  
Your memory lingers yet.  
—Sadly missed and ever remembered by Mom, Dad, Brothers and Sister.
