**W. I. Jewel Presented  
To Retiring County Head**

Nassageweys Presbyterian Church was the setting for the 53rd district annual of the Women's Institutes of Halton County. About 150 ladies were present when Mrs. Max Featherstone was elected president of Halton W.I.

Mrs. J. L. Ellerby, Limehouse, presided at the meeting. Rev. James Sutherland gave the welcoming address and Mrs. A. Diamond replied. The theme was: "Broader our vision, larger our thoughts, kinder our words, better our deeds." Mrs. Chester Service read the minutes of the last district annual, and gave the treasurer's report. Altogether, 21 branches were represented. Mrs. Lillian Bailey gave the auditor's report.

**Encourage Clubs**

Mrs. Mabel Horgstrom, Halton Home Economist, stressed the need of 4H Homemaking clubs and Garden clubs, and encouraged new clubs to start.

Reports of the standing committees followed. Mrs. F. Anderson of Acton, Agriculture and Canadian Industries, reported 21 reports and closed with a poem, "Faith." Mrs. G. Chester, Norval, reported for Citizenship and Education.

Mrs. Maurice Readhead, R. R. 2, Milton, for Home Economics and Health, stressed making your home "a home."

Mrs. Velma Norris, R. R. 2, Milton, with 15 reports on Community Activities and Public Relations, hoped for more reports next year.

Mrs. W. T. Sinclair, Georgetown, for Historical Research and Current Events, mentioned Palermo's 50th anniversary, and 13 Tweedsmuir history books. Mrs. F. Rhinehart of R. R. 1, Campbellville, convener for resolutions, read three.

Miss Lorna Lawrence, R. R. 2, Oakville, junior convener, read three reports from Acton, Milton and Palermo.

**Feel Satisfaction**

Mrs. J. L. Ellerby, Limehouse, gave a report of her work, during her term of two years as president. After visiting 26 senior branches, six junior branches and five achievement days, she has a feeling of satisfaction of successful projects well done. It shows the importance of small efforts the last 53 years. She said the ACCW Convention in Toronto last August was like a vast sea of humanity. It was the highlight of all Institute work.

She said the motto should always be "Do unto others, as you would have them do unto you." Keep up the good work and in time reward will come our way. Let us use our Mary Stewart Collect as 10 Commandments. It is more blessed to give than to receive, she declared.

After thanking especially the secretary, Mrs. Chester Service, and all other officers, she closed with a poem entitled: "Keep Reaching."

Mrs. Lloyd Crawford led in community singing.

Miss Irene McBride was the Department speaker who stressed that the Junior Institutes speak well for the future.

Mrs. R. P. Hendry, Galt, brought greetings from the Federated Women's Institutes of Ontario. 45,487 are members in Ontario. A \$250 scholarship will be given to a Jamaica girl, passing OAC examinations this year.

All favoured another president's Conference next year. She suggested each branch have a discussion on "How do radio and TV programs affect family life." She advised that branches should not sell magazines nor give names to salesmen. Civil defence should be supported. Rural people should have food centres, supply and evaluation posts in case of war.

A FWIO tent will be at the international ploughing match at Breslau in October.

Mrs. Milton Brown gave the nominating committee report, and the result of the election of officers is:

**FARM NEWS**

**BRITAIN MOVES FOR  
DECONTROL OF MEAT**

Price controls and rationing of all meats and bacon by the British Food Ministry is scheduled to end at midnight July 3rd. Beginning July 1st farmers will again be able to market their livestock by private treaty or by auction. The National Farmers' Union has also announced plans to set up a Fatstock Marketing Corporation, to provide a further alternative and voluntary method of sale on dressed weight basis to producers. Sir James Turner, NFU president, stated that the Corporation "would be essentially a competitive trading organization operating in a free market, and would stand or fall by the service it gave its customers — the producers, the butcher and the housewife."

Private meat imports from countries with which the U.K. has bulk purchase agreements will resume as soon after July 3rd as contracts are completed, with private trade with all other countries free to resume on July 4th. In the case of bacon, however, the Food Ministry will continue as the sole importer but will resell bacon to the trade which will be free of rationing and price controls.

**"Nightgowns" for  
FIRE-FIGHTERS**

WIDE-AWAKE fire departments may soon be turned out in a new heat-reflecting suit built on the general lines of the old-fashioned nightgown. Made of reflective aluminum foil, this outfit gives the hook-and-ladder lads a lot more protection from extreme heat.

Canadian farmers have the same idea when they build their barns of aluminum sheet. Not only is aluminum fire-resistant but it also keeps barns cooler in summer because it reflects the heat of the sun; and in winter reflects back into the barn heat that would otherwise escape. In fact you might say that in the products of Canada's aluminum industry are reflected countless aids to better living — on the farm, in the city, in your own home. Aluminum Company of Canada, Ltd.
