Present Windbreakers To Norval Hockeyists

Despite the high temperature and thunder storms on Friday evening the Stewarttown Hall was well filled for the social evening in honour of the Norval Junior Farmer champion hockey team. H. Craig Reid was master of ceremonies. Each member of the team was presented with a leather windbreaker, by Reeve Wilfrid Bird, Earl Wilson, president of Norval Juniors and captain of the team, replied suitably on behalf of the team members, as did coach Len Cox who was presented with a suitable gift, by Barry Archer, on behalf of the team members, in recognition of his interest and assistance.

Similar recognition was given to Mrs. Graydon Cheater, who directed Norval Juniors drama entry in the Halton Junior Farmer Drama Festival. This presentation was made by George English, a member of the cast and the winner of the award for "Best Actor." Others who spoke briefly on the informal programme were Miss Daphne Yeates of Staffordshire, England, and Art Bennett and J. E. Whitehead of Milton. Miss Yeates is one of the four delegates of the Young Farmers Clubs in England, who are visiting Ontario. During her ten day stay in Halton she is being entertained by Barbara Cunningham and Jean and Margaret Bird, of the Ashgrove Community.

BALLINAFAD

Tells Church Ladies of World Church Council

Speaking at an Associate Members meeting of the WMS of Ballinafad United Church last Wednesday, Miss M. Z. Bennett, Acton, told the story of the World Council of Churches. In August, 1947, she said, representatives of 150 churches met in Amsterdam, Holland to form the Council. Today 181 denominations in 48 countries have accepted membership. This August, a second assembly will meet at Evanston, Illinois to discuss many problems.

Secretary Mrs. F. W. Shortill was hostess for the meeting. It was decided to have a WMS Sunday Service during the minister's vacation. The number of books read were recorded by Mrs. Warne and cards sent and visits made by Mrs. Hiltz. Miss Hiltz and Miss Young had charge of the devotional and Mrs. Starret read the minutes of the associate meeting of a year ago. Naming a favourite hymn was the roll call. Mrs. F. J. Shortill sang and Mrs. McLaughlin played a piano solo.

Horse-shoes by TIFFANY'S

Around the end of the last century, when aluminum was practically a precious metal, a famous racing stable had one of its thoroughbred shod with racing plates of the weight-saving material. They were made at Tiffany's, the famous New York Jewellery house.

Nowadays it is standard practice for race horses to run on aluminum shoes. Since the turn of the century the price of aluminum has been reduced to the point where it is now one of the most economical of all materials, extensively used for things like barns and boat and bus bodies. LEGION NOTES

In the absence of the president, Les Clark, 1st vice president Harvey Garvin presided at the regular monthly meeting of the Canadian Legion Branch 120.

After the usual opening ceremonies, secretary Wallace Thompson called the roll and read the minutes of the last monthly meeting and executive meetings. Applications for membership and correspondence were the next orders of business, followed by the treasurer's report, given by Bill Roney. The various committee chairmen were heard from, including sick, bingo, entertainment and sports.

Under general business, a number of matters were dealt with, including car expenses for the branch's winning Cribbage team, who due to a protest, were forced to travel to Fort Erie, to defend their championship, which they did successfully. The condition of the monument was discussed, also parking facilities at the rear of the Legion Hall, where parking is being blocked. Legion members adjacent to the Legion Hall, complained of the Friday night dances. This was discussed and on a motion from the floor it was decided to discontinue these dances. A number of other minor matters were discussed before the meeting closed at 9.10 p.m. with the Queen. Refreshments were served later.

EVERY MEMBER should try and be on hand for the annual picnic - this Sunday, July 4th. The way things are shaping up, this should be the biggest yet, and all that is needed is to have every member of the Legion and Auxiliary there to make it a huge success. There will be loads of races for the kids as well as older people, excellent prizes - ponies free for the children - and of course ice cream, pop corn, etc. FREE for the kids - dart and horseshoe tournaments - a football game and many other features.

Buses will leave (Jean Williams (Wheeler's Store) at 12.45; Collage View (Sawyer's) 12.45; Normandy Blvd. (12.30); and the Legion Hall 12.45 to 1.00. Chocolate milk will be provided for the kids, and...
