

THE GENERATOR FLOOR

THIS BUSY construction scene in the powerhouse of Ontario Hydro's Sir Adam Beck-Niagara Generating Station No. 2 shows the great progress made on the huge development since it was first started in December, 1950.

This photograph shows the 100,000 horsepower generators being assembled on the generator floor. One of the 16 units is already in operation, and its exciter may be seen in the right centre of the photograph, directly below the two 200-ton overhead cranes.

CARDS OF THANKS
NICKELL — Mere words are inadequate to express our gratitude to each and every one who has helped us through our trouble, — the much help given so readily by neighbors in Eden Mills, the hospital nurses, doctors, Dr. Walker, the pallbearers and old friends of Limehouse — with words, cards, flowers and other expressions of sympathy, Eden Mills Church, Limehouse Church, Pontiac Masonic Lodge, Guelph Masonic Lodge and Rev. Alex J. Calder, in the death of our father who reached four score and six, always enjoyed life and wanted others to do so too. We can only say "Thank you all!" We do not thank those who took the ribbons, baskets and flowers from his grave the night of the funeral. They have our hopes for real bad luck, as Mr. Nickell would not steal, nor would he lie to anyone — The Family.

SCOTT — I wish to thank my many friends and neighbours, Knox Church Circle, and Limehouse W.A. for get-well wishes and flowers so greatly appreciated during my convalescence in St. Michael's Hospital following an eye operation — Mrs. John Scott.

N&G's DROP TOUGH GAME TO FERGUS

N&G's almost beat the top team in the lacrosse league here Wednesday night.

Leading Fergus through most of the game, Georgetown dropped behind after a disputed goal in the third period when fans claimed the ball hit the post, but the referees allowed a Fergus goal. Final score was 9-7. McCandless, Bud Haines, John Haines and Caruso scored in the first, Madison twice in the second and McCandless added another in the third. The game was played in three 20-minute stop-time periods before the season's best crowd of 350.

Another tough game here tonight with Sarnia and a road trip to that city on Saturday.

Miss Minnie Bennett Church WMS Speaker

It was an inspiration to members of St. John's Church WMS to hear Miss Minnie Bennett, Acton, when she spoke at a meeting Tuesday at the home of Miss H. A. Staunton. The meeting was arranged to especially include life and associate members, and with a perfect June day it was held outdoors with refreshments served afterwards. Afterwards those present had a stroll about the garden.

Miss Bennett's theme was the world council of churches which will be held in Evanston, Ill. in August. Its purpose is to bring together divisions among churches so that eventually all may be one, as Christ intended. Among five representatives from Canada will be Miss Margaret Near, a Presbyterian deaconess, daughter of Mrs. William Near, who as Mary Vannatter formerly lived in Georgetown and taught school here. The Roman Catholics and Russian Orthodox Church are not connected with the world council.

The theme at Evanston will be "Christ, the Hope of the World" and 160 million Christians will be represented. Dr. Visser 't Hooft, general secretary of the movement says of the proposed findings at this council: From the church as men have conceived it, to the church as God would have it.

In her devotional Mrs. Hector Bird gave an illuminating talk on the beauty of the earth, so in tune with the beauty of the day and based on "The Autograph of God" by Dr. Archer Wallace.

President Mrs. Gordon Kidney was in the chair and gave a welcome to all present.
