Wreckage of a two-freight crash on the CNR Toronto-London line tied up rail traffic for most of a day last week. A freight standing in Georgetown station was hit by another eastbound freight, crumpling the caboose, and damaging and derailing other cars. The engineer of the moving train was injured when he jumped to safety.

Legion Notes

Last Saturday North Halton Golf & Country Club were host to Legion Zone B-7 annual golf tournament. The day was a perfect one for the event and there were almost sixty participants. The tee-off was at 12 o'clock with Hugh Dickie in charge, sending the players out in foursomes. The tournament was of 18 holes play.

The Georgetown Legion branch, were last year winners, but this year trailed second to a strong Port Credit entry, headed by Joe Blower, shooting a 75, and Lorne Smith, a close second. Acton team finished third. Next year the tournament will be held at Credit Valley course, with defending champs acting as host branch.

A buffet lunch was served to the players in the evening, highlighted by the presentation of a cup for annual play, to Joe Blower and Lorne Smith, for Port Credit, by Sybil Bennett, QC, MP, who said how happy she was to be able to donate this trophy to the Legions in Halton and Peel. Miss Bennett thanked the group for inviting her, saying that this was rather a proud moment for her, as this was the first trophy she had been asked to donate, and, that this was particularly appropriate, as it had also been on behalf of the Legion and veterans that she had made her first speech in the House of Commons. Zone sports chairman Bryce Smith

then thanked Miss Bennett and the local president and members for making the day such a success, and called on the group to give them a standing ovation. Duke Lindsay, golf chairman for the zone, also spoke thanking everyone for their cooperation.

Les Clark then presented a prize to Joe Blower, for low gross, 75 and one for high gross to Sid Orr. The two prizes were donated through the courtesy of John H. Barber local insurance and travel agent.

Various other prizes were presented for hidden holes, etc. and were presented later in the evening.

Miss Luena Campbell, Georgetown poured tea and tea room assistants were Mrs. Vern Kirby, Glen Williams, Mrs. Bernice Drew, Acton and Miss Ruth Hogue, Guelph. Mrs. H. Price and Mrs. D. Davidson showed the gifts and trousseau.

Other events held for the bride included a shower at the home of Mrs. H. Arbie; a linen shower tendered by Mrs. R. Gordier, Guelph; and a presentation from members of the graduating class and second year students of the nursing school at Guelph General Hospital.

Saving money... and writing cheques

A bank offers you two types of deposit account, Savings and Current.

If your main purpose is to save, to accumulate funds, it's good to have a Savings account.

If you write cheques frequently, you will like the many advantages of a Current account.

The money you leave in a Savings account earns interest, and your bank book gives you an up-to-date, continuing record of your financial progress. If your funds are active, with frequent deposits and withdrawals, a Current account provides a special service; a monthly statement, together with your cancelled cheques—useful as receipts and a ready reference for budgeting, bookkeeping and other purposes.
