N & Gs Lacrosse Semi-Finals

Georgetown N&Gs are presently involved in a playoff series with Streetsville which will determine their status as an A or B playoff team.

The six high teams in the schedule have been grouped in playoffs. The three winners will then play off for the A championship and the losers for B honours.

Last night at Streetsville, in the first game of their 3 of 3 series, Georgetown piled up 8 goals in an overtime period. Streetsville had the edge on the game and were leading 12-9 until midway through the 4th when goals by Jarvis, McCandless and Joe Caruso evened up the score. The game ended 20-14.

Streetsville goalie Rutledge did an exceptionally good job in the evening's play. McCandless and McCann shared scoring honours for the locals, McCandless with 3 goals and McCann, 4 goals and an assist. Alexander, Jarvis, Moddison and Joe Caruso were also prominent in the scoring, and Chard, who has been dogged with bad scoring luck got his first goal of the year.

The series continues here on Friday and in Streetsville Monday. If the locals don't take it three straight another game is booked here next Wednesday.

Jitneys Here, Tottenham Interest Local Bowlers

As usual, there have been some good times this season at the local lawn bowling green, and members have been travelling to other towns on occasion to attend jitneys and friendly competition.

Last Wednesday three rinks of ladies competed at Tottenham. Only prize won locally was a 4th by Mrs. George Wood and Mrs. Jack Williamson. Thursday there was a mixed jitney here at which Mrs. Percy Leslie and Ed Tyers stood highest. Another mixed jitney is planned this Thursday, with refreshments following the game.

The Grant Challenge Trophy has changed hands again and is now held by Jim Richardson and Ern Thompson, who claim that they intend to successfully defend it all season. The trophy can be challenged at any time.

SPENDING THE CAUSES

There was a flurry of excitement on Main Street Saturday afternoon when a stranger jumped into a car and speeded up the hill and through the stop sign at the highway, followed by a police cruiser in pursuit.

Many thought the man had stolen the car, but it was later learned that Guelph police were looking for him on other charges. He was apprehended and lodged briefly in the local lock-up before removal to Guelph.
