

Trompsie Lewiston Hosts Big Loop Return Match

Georgetown N&G's completed their regular lacrosse schedule last week when they won 21-3 against Lewiston, N.Y., here on Wednesday, and dropped the last game in Lewiston Friday by a 10-4 score.

The locals are a much superior team to the Americans and their defeat was due to lack of players. Only eleven men made the trip and their ranks were depleted when Zolo McCandless was banished early in the game for some back chat with the referee. Lewiston held the lead from the middle of the first period and held Georgetown scoreless in the second. McCandless and Walt Alexander tallied in the first and Junior Beaumont got two goals in the last stanza.

N&G's 21 - LEWISTON 3
The win here Wednesday was one of the most impressive scoring games racked up this season. It was also the roughest game of the year, and penalties included a match misconduct to the locals Savage and similar sentences to Crogan and Bomberry of the visitors. The latter made a particular error when he slugged goalie Norm Young in the chest with his stick.

SOME PEOPLE STILL CONFUSED

Further to a news item of two weeks ago in which council was reported as turning over oil contracts for municipal buildings to the local Kentner firm, Bill Bailey of Brampton reports that he is still getting a few calls from customers asking if he is still delivering in town. In case someone missed reading last week's correction item, he has asked us to once again report that he will be conducting business locally as in the past.
