**Insure High School On Replacement Value**

Adjustment of insurance on Georgetown, Milton and Acton high schools occupied the attention of North Halton school board at its meeting last week in Stewarttown.

The board has appointed the Frank Cowan Co. as their insurance brokers and adjustments will be made to insure on a replacement value basis.

"The board frowned on allowing students to attend technical schools in other districts, in view of the fact that shop facilities are now available in Acton as well as in Milton.

Principals reported on the results of the Departmental examinations and members considered these very satisfactory. Acton Public School board requested that facilities of the shop in that town be made available to upper grades and board members from Acton and Milton will see if such arrangements can be worked out.

**Presentation Made To Retiring Rector, Wife**

At a congregational tea in the parish hall which followed evening service Sunday afternoon in St. Alban's Anglican Church, parishioners of the church said farewell to Archbishop and Mrs. W. G. O. Thompson with presentation of a purse, and a beautiful stole to Mrs. Thompson.

Joseph Eason, rector's warden, presented the purse to the archdeacon and his wife, while Edward Bludd read the feelings of "the church people in an address which said: "We deeply regret that your stay with us is drawing to a close, but our regrets are considerably softened with the most pleasant memories of your ministry with us for the past twenty-two years. These memories will live on. For these, all we can say is 'Thank You' from the bottom of our hearts. Our good wishes go with you to your new home and may you enjoy many happy, carefree years away from the good work of the parish. Please accept our gift with our goodwill and as a token of lasting friendship."

**Leathercraft Display At Arts, Craft Exhibit**

The exhibition and sale being planned by Georgetown Arts and Crafts in October will be larger and more spectacular this year.

Discussing plans at a meeting on Thursday at the home of Mrs. J. H. Chamberlain, members learned that there would be an interesting display from the Canadian Society of Creative Leathercraft, as well as many other unusual features. This year the exhibit will be in St. John's Church auditorium.

President Mrs. H. J. Newman was in the chair for the meeting. It was decided to donate ten dollars in prize money to Georgetown Fair. Two \$2.50 prizes will be offered for best loom weaving, one for best summer bag and one for four place mats. The other five dollar prize will be for foot loom weaving, best evening bag and best stole.

Mrs. Newman read a letter of resignation from Mrs. Fred Chapman who has moved to Peterborough. Dorothy Stone showed a sample of her paper sculpture. It consisted of a bedroom, walls and furniture cleverly constructed of paper and complete in every detail. Drapes and bedspread were made of blue and white material. This type of craft will be on display at the exhibition and sale.

Mrs. Newman showed shell and fish scale earrings made in an attractive manner by Mrs. Seal of Collingwood.

Tea was served by Mrs. Chamberlain, assisted by co-hostesses Mrs. Alan Dawson, Mrs. John Glynn, Mrs. Ted Darlington, Mrs. Bert Gilmer, Mrs. Robert Stewardson, and Mrs. Cyril Brandford poured tea. The hostess was thanked by Mrs. Frank Benner.

The September meeting will be at the home of Mrs. Denney Charles and Mrs. S. W. Orr will be hostess in October.
