Provincial Employees Have Picnic at "The Breezes"

Red and white 'bob hats', stencilled with the company insignia, made The Breezes a colorful spot Sunday when Provincial Paper employees and their families had a picnic.

Jack Gunning announced races over a P.A. system and Dick Packer was starter, while Joyce Herrington and Verna Louth presented prizes. Ivan Crabtree was the focal point for children, as he dispensed tickets at the canteen. The picnic closed with a ball game.

Prize-winners in various races for boys and girls included Shirley Stamp, Jill Kemahood, Joanne Kemahood, Pauline Spence, Bert Allen, Douglas McDonald, Janet Davies, Lada Davies, Robert Kemahood, George Lucas, Alice Wilson, Shirley Engleby, Glen Cooper, Carol Kuvara, Marlene Kemahood, Douglas Davies, Bill Wilson, Jean Engleby, Errol Stapleton, Charlie Davies.

HUBERT H. SCOTT, of Montreal, newly appointed Steamship Passenger Traffic Manager for the Canadian Pacific Railway Company. He succeeds H. B. Beaumont who has retired after a half century of service in the steamship traffic business.

Lucky Bride Wins Gown, Flowers, Cake

A lucky draw sponsored by the Optimists Club in Keswick had particularly happy results for a Smith and Stone employee.
The club offered a bridal gown, wedding ring, bouquet, cake and an album of photographs to the winner, who turned out to be bride-elect Barbara Lawson, who was married last week in St. Alban's Church to Leslie Norton.
H. Smit, a Keswick photographer came down for the day to take the wedding photographs, one of which will appear in the Herald next week.

Herald Adlets are Georgetown's market place, where goods change hands, tradesmen offer their services, lost items are regained by their owners and people find employment. One try and you'll be convinced.
