Park Entrance Pillars Ready for Fair Day

Members of Georgetown Women's Institute expect to have the new cut stone pillars erected at the park entrance in time for fair day in October.

At a meeting last Wednesday at the home of Mrs. Norman Snyder, the ladies learned details about the \$500 expenditure which they will make. They have the active support of the Chamber of Commerce and town council in their park beautification campaign which will also see the roadway fixed and a sidewalk placed from Charles St. to the gateway.

The ladies are planning exhibits at Georgetown and Milton fairs. Tickets were given out for a quilt draw which will take place at a euchre party being planned for late October. Funds from the draw will augment money earmarked for the park gates.

Mrs. Seward Wilson was convener of the meeting which had citizenship and education as its theme. A local lawyer, George Hewson was guest speaker and answered questions pertaining to law, particularly as it affects women. He stressed the importance of women making wills and explained how joint bank

They both spent their early life in Yorkshire, England, and were married in Ebenezer Methodist Chapel in 1894. All seven children, Mrs. Elsie Stone, Hamilton; Charles, Toronto; William, Mrs. Miriam Clapham, Henry, Alfred and Mrs. Ed Milson, Brampton, were born in England.

Legion Notes

The first regular meeting of our fall program will be two weeks tomorrow night, and we'd like to see every member there. It seems too bad that a couple of hundred at least, can't turn out for this—they only happen once a month, and it is to the advantage of every member to be there. Lunch is always served afterwards and the meetings are never over an hour. Let's try to make it.

ROUND THE ROOMS

Congratulations to WO Alf Perrott and his Lorne Scots Band on their splendid effort at the CNE on Thursday last. Once more the boys proved they were tops in their business by coming first in their class.

Happened to be chatting with a couple of members we don't see too much of the other night, and found out one of the reasons they don't get around the Branch very much. Cliff Moreton and son Herb of Norval were in to see us and were telling us that most of their leisure time is spent at their cottage near Bala. Cliff tells us that Herb recently made some water skis and has taken up the sport pretty seriously (as well as putting a few extra grey hairs in Cliff's head.) Herb recently bought an island a couple of miles out of Bala. Another member who is intrigued by the water sport is Gord Browne. They all say it's a great thrill, much easier than skiing winter-style and much more fun... How time flies! It won't be long before the hockey starts again... We missed the Warriors Day at the CNE this year, for the first time in a good number of years. They tell us that the parade was the best yet, perfectly set off with the Irish Guards heading it. Some of our older members confide that they still get a thrill out of seeing a great band like that, followed by picked units of our armed services, come down the track at a steady 110! Guess that old song "There's Something About a Soldier" still holds good — even to old soldiers. And it won't be long now until the annual Remembrance Day service. Unfortunately this year's Decoration Day was cancelled, due to being held over until September. And with the removal of our chaplain, holidays for some of the others, by the time everything was back to normal it was felt a little too late to hold it. Charlie Day reports he has been giving out books of tickets to sell for his Christmas Tree, and asks that any one who feels he can dispose of any please contact him. Give Charlie a hand, fellows...

After several years the Branch has finally got a display case for their various cups and trophies on the way. Jim Murphy's son-in-law, Art Hurst, who played hockey here a number of years ago, and now plays for the Kitchener Dutchmen, has offered to make the Branch a case and recently took the measurements for it. Having seen some of Art's handiwork in his trade as a carpenter, we know it will be just what the doctor ordered. Thanks, Art... A rumour that appeared in this column a few months ago, regarding Wilf Hillis' moving to the city of Windsor, was not right. The big fella is still in Port Arthur. We often wonder how he and the other two musketeers, Frank Parmeter and Eric Tomlinson are doing. The lads around the Branch often think of some of the times we had before the threesome left. We particularly think of the winter some years ago, when the branch had the juvenile championship hockey team, and it seemed everyone spent most of their time driving from-town to town in pursuit of said championship...

Treasurer Bill Roney would like a number of the members to drop in at the Branch with their dues. A number are getting away behind.
