Big Program Shaping Up For Georgetown Fall Fair

The directors of Equestrian Agricultural Society which sponsors Georgetown fall fair are busy these days drafting a program of events to please a show-day crowd on October 1st and 2nd.

Now available is the 64-page prize list which offers a wide selection of cash prizes and specials. The blue bound booklet with its blue and red cover is the 107th prize list issued by the society and showing over a century of progress and service to the community.

It is hoped that the citizens of the community will avail themselves of the opportunity to enter into the competitive classes, and thus boost both the hall and the outside exhibits.

HOW TO ENTER

There are still a number who do not know how to enter in the fall exhibition. First it is necessary to get a prize list and check the classes in which you wish to compete. All entries must be according to rules laid down in the list. Next you apply to the secretary for a membership to the society, which privilege allows you to show. Entries for the hall exhibit are then taken on opening day, Oct. 1st and placed on exhibition. Entries in the junior classes and school work are placed on the Thursday previous to the show. Outside entries in horses, cattle, sheep, swine, poultry, etc. and exhibits of farm machinery and motor cars are brought to the fair grounds on Saturday morning, October 2nd.

Getting ideas from a china egg

In days gone by, many a farmer's wife had faith in the china egg as a "starter" for reluctant hens. It was supposed to suggest to them that laying eggs was a good idea. A "nest egg" in the Royal Bank is a good idea, too. It is a strong inducement to you—to save more. As deposit follows deposit, you watch your savings grow. Then, almost before you know it, saving has become a habit . . . and a useful one. Build up your nest egg at the Royal Bank. There's no prettier picture than a healthy looking bank book.

FARM IMPROVEMENT LOANS are available for many useful purposes. Ask for our booklet on the subject of your nearest "Royal" Branch.

Encourage your children to have a nest egg, too. Our booklet "Financial Training for your Son and Daughter" describes a practical plan for teaching your children how to handle their own financial affairs. Ask for your free copy at any branch.
