

Hydro Information Bureau "On Wheels" at Fall Fair

The Ontario's Hydro changeover information bureau "on wheels" contains a number of exhibits and displays which help give the customer a better grasp of what is involved in the huge 25 to 60-cycle standardization program. The trailer is staffed by members of the Hydro's Information Department, Frequency Standardization, and will be featured at Georgetown Fair this year.

SOMNAMBULISTIC RHAPSODY

Although where I do not know,
I seem to be sleepwalking,
I only hear a soft voice talking,
Below!

In subterranean ways,
I hear the voice talking,
It is not lucid but a watery maze,
Horribly shocking!

My eyes dare not see,
Lest I should awake;
While I stumble through eternity,
Sleep I cannot break!

In ethereal palaces
I walk like a king,
To what unknown places
Shall I myself bring?

Am I in heaven or hell,
And who owns that dull, watery
voice,
My eyes are sightless, I cannot tell;
In heaven? Rejoice!

Eternity must hear my stumbling;
O what terrible, awesome darkness!
Why is that voice eternally
mumbling?
Starkness!

What ghastly reverberations
From that maddening, watery
voice?

Am I a schizophrenic, with horrible
imaginations,
Hearing a demon's voice?

My head is whirling,
Now I hear a thousand watery
voices,
My brain is twirling,
Noises! Noises!

Then suddenly I find myself falling
Into a deep abyss where there is
no voice,
Save for a bird's sweet calling,
And now it is bright, Rejoice!

Rejoice!
Over now is my midnight gloom,
Morning! Sunlight shoots
into my room.
