Acton School Crowded Engage Seventh Teacher

M. M. Pastyr, formerly of Sudbury, has been engaged as the seventh teacher on the Acton high school staff. Unexpectedly high enrolment necessitated the hiring of an additional teacher after the term began. There were 11 applications for the position.

The overcrowded grade 10 will now be divided into two classes. Grade 13 will meet in the outer office as the additional class results in a classroom shortage.

When Mr. Pastyr joins the staff, there will be five men teachers and two women teachers at the Acton high school. Mr. Pastyr's home is in Toronto. He is a veteran of the ICAF.

Extra hired hands— at the touch of a finger

With electricity, you can set extra helpers to work for you in your barn or home. At the touch of a finger, you can summon them to speed farm tasks, making life easier and more pleasant for you and your family. But before you can enjoy this modern miracle, you may need power lines, and equipment. That's where a Farm Improvement Loan comes in. A loan to finance farm electrification may be arranged at any branch of The Royal Bank of Canada. Your local "Royal" manager will be glad to discuss it with you.

You never know how much your bank can do for you until you ask. Make a habit of discussing your farm finances with your local Royal Bank Manager.

Our free booklet "Farm Improvement Loans" explains how they may be arranged, the purposes for which they can be used, terms of repayment and other details. You can get a copy at any branch.
