Agreeing with a plan recently proposed by the three-town board created as a cooperative measure by Georgetown, Acton and Milton, Esquemoing council at their last meeting endorsed the idea of taking a vote on telephone service. The idea is to have a joint telephone exchange, eliminating long distance tariffs between the three centres. It would mean an upward revision in present phone rates, and would be voted on by all telephone subscribers in the districts involved.

Clothing, Food Donated Others Help at Woodbridge

Two motor car loads of clothing and foods have been collected in the name of the W.I. and forwarded to the flood-stricken area, and more are accumulating to make another load.

Mrs. Lawr, R. Turner and Chas. Jones went as volunteers to help clean up at Woodbridge on Tuesday.

Mr. and Mrs. Robt. Rogers attended the funeral of her grandfather, the late Thomas Gibbons, Sr. in Acton last week.

The Jones family attended Woodbridge Fair a week ago.

Miss Lyla Sinclair of Guelph was guest speaker at the fall thank-offering meeting of Limehouse W.M.S. held at the home of Mrs. Kirkpatrick on Thursday evening. She chose as her topic "The purpose of the W.M.S.—To unite women and children of the church in prayer and service for the advancement of Christ at home and abroad." She told of the organizing of the first societies at home and later those abroad, and our present duties to both. She said that this world needs more Christ like lives, and closed with a poem of consecration. Twenty-six ladies attended the meeting. Scripture was read by Mrs. Mills and prayer by Mrs. Sanford. Mrs. A. W. Norton contributed a vocal solo and Mrs. Roughley a piano solo. Miss Ivens introduced the speaker and courtesies were handled by Mrs. Norton. A social hour followed.

Mrs. E. Karn held a Stanley brush party at her home on Wednesday evening.

Mrs. S. Glaby held a Ronald plastics party at her home on Monday evening.

Mrs. Sanford and Mrs. Kirkpatrick attended the training school for club leaders at Milton on Tuesday.

The trip by car would have taken about one hour.

SECOND SEASON FOR NURSERY SCHOOL

Chorley Park nursery school, in its second season under the direction of Mrs. H. J. Newman, who holds classes in the public library, has an enrolment of twelve boys and girls this year.

Mrs. Newman, a graduate of Haverford College and the Conservatory of Music, she modelled her Georgetown school along the lines of the one she operated in Toronto several years ago.

Children of pre-kindergarten age attend morning classes where, after a period of free playtime, books and games are tied up and a story follows. Simple art work with crayons and plasticine, teaching of hygienic habits, physical play out-

URGES RED CROSS REORGANIZATION

Georgetown, Ontario, October 18, 1954

The Editor, Georgetown Herald, Georgetown, Ontario.

Dear Sir: The recent disaster suffered by residents of Toronto and suburbs both in loss of life and property damage, makes us realize how fortunate we of Georgetown were in escaping the ravages of last week's hurricane. But in the event of any such catastrophe striking here, to whom could we turn?

I would urge most strongly that the Red Cross, once a very active and vital organization of Georgetown, especially during the war, be reorganized again. For the Red Cross is not just an organization to be linked with war disasters. In time of peace and certainly in any emergency that might arise unexpectedly, the Red Cross is always on hand to offer assistance to the distressed.

Would you through the medium of "The Herald" convey the necessity of this organization becoming active once again in Georgetown. Yours sincerely, Rosemary Jordan.

Will Demonstrate Window Staining

Mrs. Syd Orr was hostess to the members of the Arts & Crafts at her home on October 14th.

The members learned that Yvonne Williams will demonstrate the technique of stained glass windows at an open meeting at the Library in November. A silver collection will be taken at the door.

At the exhibition and sale on October 30th, Mrs. Alex Reader will model a beautiful Latvian costume which won first prize at an exhibition in Europe. Combined with the charm of Mrs. Reader, this costume will be well worth seeing. Another added attraction this year will be the Homemaker's Corner, where homemade candy, baking and plants will be sold. Afternoon tea will be served as in former years. Small tables will be set up for the added comfort of the guests.

The meeting was moved adjourned after various business matters had been discussed. Tea was served by the hostess assisted by co-hostesses Mrs. A. G. M. Bruyns, Mrs. W. Wolfe, Mrs. W. C. Reynolds, Miss Iowena Stull and Mrs. Earl Trow.

Mrs. H. J. Newman thanked the hostess for her hospitality. The November meeting will be held at the home of Mrs. J. A. Early where Mr. Sandy Best will show films on the cultivation of the lily.

Meets Georgetown Friends Navy Visits California

That old cliché, "It's a small world" rang true again just recently for PO2 Ralph Peck, RCN, when he stepped off the gangplank of the aircraft carrier "Magnificent" at San Diego, California, to be greeted by former Georgetowners, Mrs. Mary Bedell and daughters, Ralph, son of Mr. and Mrs. Walter Peck of town is serving with the Navy, based at Halifax. He is presently on a trip from Halifax to Victoria, B.C. via the Panama Canal. Mrs. Bedell and the girls entertained him during his leave in San Diego, when he saw all the points of interest there, and met a lot of very nice people. Mrs. Bedell's son "Bud" is also serving with the RCN at Halifax, and may have written his mother of Ralph's impending arrival—hence his "surprise" welcoming committee in San Diego.

While the "Magnificent" was docked in San Diego, moving picture reels were taken of her and the Navy personnel aboard, which will be shown in theatres soon. PO2 Peck wrote his parents, telling of the unbelievable beauty of the trip through the Panama Canal. His one regret was that he did not have a moving picture camera. He said that would be rectified on the return trip when he hopes to capture its beauty on film.

While in England earlier this year, PO2 Peck visited with two well-known young Georgetown people who are now living there, Mr. and Mrs. Andy Molozzi (formerly Margaret Sargent).

World Church Council Told by Delegate

The joint thank-offering of the W.M.S. groups was held Sunday evening with Miss Margaret Near of Toronto as guest speaker. The opening devotionals were taken by members of the Afternoon Auxiliary. Mary Baker of the Mission Band sang a solo, and Muriel and Helena Hills of the Circle sang a duet. Miss Near was a delegate to the World Council of Churches in Evanston, Ill. and spoke on that subject and also showed lantern slides which gave a clearer understanding of what took place at that important gathering.

Mr. Harry Smith has returned from Guelph hospital and is improving slowly in health at the home of his brother.

The Mission Circle met for their October meeting at the home of Shirley Kirkwood. The topic on

Christian Stewardship was given by Muriel Hills. Shirley conducted a bingo contest and lunch was served at the close of the meeting. A cordial invitation is extended to the girls of the community to attend these meetings. The members are selling Christmas cards to raise funds.
