High Voltage

ALUMINUM CABLE from Canada was used in a Peruvian high-voltage power line, installed at altitudes of from 13,000 to 15,000 feet—the world's highest. Canada supplied not only the cable but also the technical assistance required on this record job. We imagine that aluminum's light weight was particularly appreciated by the llamas or whatever other beasts of burden were used to get the cable to the top.

In the rugged mountain country of British Columbia where Alcan's own huge Kilmat development is going on, the aluminum transmission lines used represent another record: they are the largest-diameter overhead power lines in the world. Aluminum Company of Canada, Ltd. (Alcan).

DEER HUNTING PARTY
In Northern Ontario

A party of 36 hunters left Saturday morning for a week's hunting in Northern Ontario. Included in the group were Vic and Ray Swindlehurst, H. McEachern, D. Shortill J. Snow and Reg. French. The Young People met at the home of Jim and Shirley Kirkwood Sunday evening with a good attendance. The worship service based on Romans 12 chap. opened the meeting. Lantern slides were shown on "A Christian and His Choice of Vocation" with an interesting discussion led by Jim Kirkwood on how to discover and make use of our God given talents and abilities. After a short business period lunch was served to close a well spent evening.

Sandy and Kate McKay visited Sunday with Mr. and Mrs. Earl McKay at Huttonville.

Several ladies from this community attended the thank-offering

meeting at Churchill on Thursday. Miss Jean Stewart of Hamilton was guest speaker and gave a thrilling account of her experience as a delegate to the General Council of the United Church in Sackville, N. B. this summer.

The W.M.S. held their October meeting at the home of Mrs. R. Warns. The roll call was answered with thanksgiving verses of scripture. Mrs. F. W. Shortill led in the worship service with the theme being "The Influence of a Christian Leader" and told the story of Sakria, a christian who lived in a village in India and loved his neighbour as himself. Mrs. Hills led in an interesting Bible quiz and kept record of cards and visits to shut-ins and sick folk. The topic on "Christian Impacts and Influences" was in charge of Miss E. Hills, assisted by other members, which told of insurmountable difficulties which face doctors, nurses and missionaries in India.

During Halloween festivities Saturday night windows were smashed and considerable other

damage was done to the hall. Some young people seem to have a very queer sense of humor and what to do to be smart!

Mr. N. Russ was on the sick list over the week-end, mostly the result of a vaccination. His services were taken over by Jim Kirkwood who was home for the week end from Emmanuel College.

A group of the young people from this community motored to Port Credit Saturday night and report a good time at the Halton Y.P. Halloween party.

Licata Nephew Now Temple "U" Professor

Nephew of Dick Licata, and better known as Harry during his visits here, Dr. Richard H. Licata has a new position as assistant professor of anatomy at Temple University, Philadelphia.

Dr. Licata, who attended University of Western Ontario, London and later got his Ph. D. degree at the University of Michigan was on the staff of that university before his move to Philadelphia.
