

Golfers End Season With Dinner, Social

Top golfers in the first tournament of the newly-organized North Halton Golf & Country Club were presented with their trophies last Wednesday when the men's division concluded their season with a dinner and social evening.

Jim Linton, 1st vice president of the club and one of the most ardent devotees of the game, won top spot in A Flight, while B Flight was won by an Acton resident, Jack Gordon. Both tournaments were for match play. Trophy presentations were made by Larry Edwards, club professional, and William McNally who was chairman for the evening.

A \$114 set of golf irons, for which the club had been conducting a lucky draw, was won by Mrs. Jim Graham, Acton when the draw was made that night.

New officers were elected, these being William McNally, captain; Ken Nash, vice captain; James F. Evans, secretary-treasurer; and Jack Gunnung social convener.

Kenneth M. Langdon, president of the club, and Jack Malcolm were among those who spoke briefly. Lady members of the club, who catered for a roast beef dinner, were thanked by Murt Allison.

Heart Attack Takes Hornby Resident

One of a family of eight, all of whom lived within two miles of their home place at Hornby, Bertha Ella May Orr, daughter of the late Mr. and Mrs. Samuel Orr, died suddenly at her home Tuesday morning, November 2nd, as a result of a heart attack. She was in her seventieth year.

Miss Orr lived very quietly, and was a member of the Church of England. Rev. J. E. Maxwell took the funeral service, held in St. Stephen's Church, Hornby, on Thursday. Interment was in St. Stephen's Cemetery.

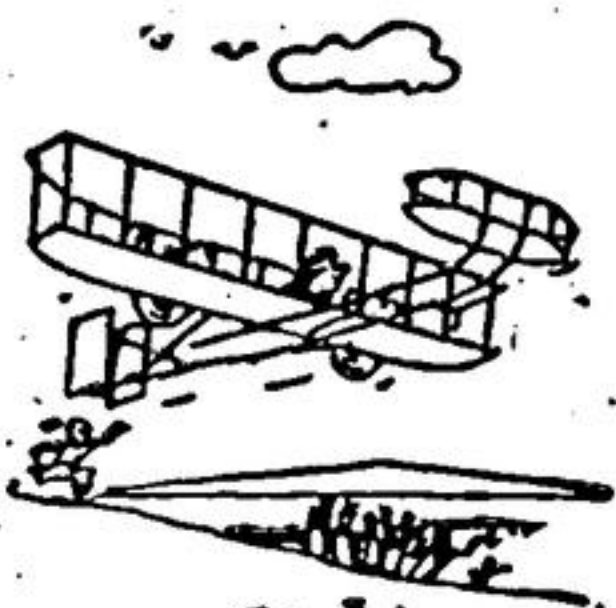

Of her family, only one brother survives, Robert, who lives on the 8th Line, Trafalgar. There are two nephews, Guy and Orville Orr, 8th Line, Trafalgar.

Nineteen members and five visitors were present.

Mrs. Norm Sinclair led in a sing-song of Scottish songs, and Mrs. Jesse McEnery read the motto: 'Oie us the gift, the gift of gie' us, the see oarsel's as thers are us—taken from the writings of Bobby Burns. Mrs. Jamieson told the history of the castle which our Queen Mother will visit this year.

A contest of mixed scotch words was won by Mrs. Edmunds and Mrs. Gibson. The convener also gave each lady a sprig of heather right from the old country. Each member told a scotch joke when answering roll call.

Mrs. Robert McEnery reported on the District Annual held in Guelph. Mrs. Jesse McEnery and Mrs. F. J. Shortill are the leaders for the 4-H Club again this year, and classes started last Saturday. Mrs. Robert McEnery read the current events.

Mr. Wright travelled light

When the Wright Brothers first took off at Kitty Hawk 84 years ago, weight-saving aluminum was already in on the act. Their tiny engine had a single cast aluminum crank-case and cylinder block. Aluminum has been growing with the aircraft industry ever since. Now strong aluminum alloys are helping to combat the heats and stresses of supersonic flight, and Alcan is busier than ever supplying aluminum for Canada's busy aircraft plants and other metals users looking for lightness and strength... at a fraction of the price that the Wright Brothers paid. Aluminum Company of Canada, Ltd. (Alcan).
