**Conversion Completed
In Georgetown**

Ontario Hydro Chairman R. H. Saunders said recently that flooding conditions in the area have not impeded 25 to 60-cycle changeover operations in the Georgetown-Acton-Brampton district. Hydro conversion crews now working in Georgetown have been able to keep to schedule, and no changes have had to be made for future operations in the district.

Georgetown changeover was completed yesterday, Mr. Saunders said, and crews will move immediately into the Town of Acton, where the switch is scheduled to begin today Nov. 10th, and end November 22.

The Hydro Chairman added that during this period conversion would also be carried out for 20 domestic and commercial customers in the

**W.M.S. MET AT HOME
OF MRS. LESLIE GIFFEN**

The W.M.S. meeting was held on Tuesday afternoon, November 2nd, at the home of Mrs. Leslie Giffen with twenty one ladies present. Mrs. Frank Wilson presided and opened with a hymn and prayer. Roll call was answered by a miracle Jesus performed with bible reference. A nominating committee was appointed, comprising Mrs. George Nurse and Mrs. R. J. Graham. The worship service was taken by Mrs. Clayton Wilson with a duet sung by Mrs. C. B. Dick and her daughter Mrs. J. H. Hunter. The study chapter was in charge of Mrs. T. J. Brownridge on India. It told of the faiths they follow and showed what a deeply religious people they are. She was assisted by Mrs. James Carney and Mrs. Arthur Ruddell. The prayer for our chosen missionaries was offered by Mrs. Fred Wrigglesworth. Mrs. Ward Brownridge thanked the hostess and all who had taken part in the meeting and a social hour followed.

Beautiful autumn weather greeted the anniversary services on Sunday with large crowds both afternoon and evening. A lovely bouquet of coloured mums on the front table and a huge foliage plant sat on the piano to beautify the church. The music by the choir was excellent, also the solo at the afternoon service by Barbara Cunningham. Rev. Morgan McFarlane's address on "An Expectant Church" based on the text "I shall build my church and the gates of hell shall not prevail against it" was an inspiration to all who heard it. At the evening service Rev. E. A. Currey of Acton, spoke on the "Greatest things in life" and challenged us that all things work together for good to them that love God.

Mr. and Mrs. Leslie Giffen attended the Millgate-Revill wedding in Newmarket last Saturday afternoon.

Mr. and Mrs. Brayford and family of Grand Valley were Sunday visitors with Mr. and Mrs. R. J. Graham.

Mr. Will Hardy has left for Brandon, Calgary, South Slocom, B.C. and then will continue on to Victoria, B.C. to spend the winter.

Industry Started

In Acton, the refrigerators, washing machines, and other frequency sensitive electrical equipment owned by 832 domestic, 115 commercial and 27 power customers will be altered to operate on standard 60-cycle power.

Conversion is already underway at one of the town's major industries—Beardmore Co. Ltd., said to be the largest tannery in the British Empire—and will begin about the first of November at another—Wool Combing Corporation. Other industries will be changed over during the normally planned period for domestic and commercial customers.

In Acton homes, it is estimated that Hydro crews will have to convert some 700 washing machines, 470 refrigerators, and 300 record players. In addition, some 700 clocks and fans will either be altered or exchanged for new models.

"Would you like to earn Hundreds of Dollars for a little study?"

"Years ago when I was buying my first life insurance I looked only at the size of the premiums I would have to pay... until a friend said:

"The real cost of life insurance consists of the premiums you pay, less the dividends the company pays you over the years."

"I studied the dividend record of The Mutual Life of Canada and quickly saw the advantage of buying insurance from that Company. After all these years I am ahead hundreds of dollars because of that decision."

Artist's sketch of the official opening of the Seagram Collection in Rome.

Il Canada a Roma
Una mostra di pittura ispirata dalle più grandi città canadesi è stata ordinata con successo nella Capitale

Roma, ottobre 1954. Far conoscere attraverso la trentesima migliaia grandi città canadesi, i maggiori centri di quel Paese che, per Roma, è questo multo e ancora non immaginato. Passare non è più una nozione, ma un fatto puramente geografico ma non spirituale, e che viene affermato con un claimante quando si parla di Canada.

from Voce del Popolo, Rome, Italy.

"CANADA AT ROME" ... Here in Italy, in the warm tones of a friendly language, Canada was talked about ... and read about, too. From conversation in the shadows of the Coliseum to enthusiastic reviews in the press, Canada was on the lips and in the minds of thousands of Romans.

Through the international language of art, the Seagram Collection of Paintings of Canadian Cities interpreted to the world the dramatic growth of our nation and the vitality of our citizens. Above all, the Seagram Collection earned many new friends for Canada by bringing a fuller understanding of things Canadian to peoples of other lands.
