**Katherine Merry Wins
Coveted Queen's Guineas**

J. E. W.

Thursday afternoon of last week saw the most outstanding spectacle of the entire week in the big Coliseum at the Royal Agricultural Winter Fair. Practically every seat in the huge coliseum was filled — the same was true at the ringside. It was the occasion of the judging of the steers entered in the Queen's Guineas class. One hundred and eight 4H club members, between the ages of 14 and 20 were there with their steers. Each club member wore a white sweater, emblazoned with the 4H emblem in green. Chas. Yule, noted judge and former manager of the Calgary Stampede, was the judge.

In the first section there no less than 80 Shorthorn steers — they practically filled the huge ring to capacity. Halton 4H Beef and Dual Purpose Club was represented here by Jackie Black, Katherine Merry; Ian Norrish and Don Moffat. The first three were successful in getting their steers in the first prize group and Don Moffat in the second prize group. Then what a thrill to every Haltonian when Charles Yule singled out Katherine Merry's steer, "Louie" for the champion with the reserve going to the steer of Alan Goetz of Bruce County.

37 Aberdeen Angus

Then in came the 37 Daddies and again Charlie Yule had difficulty in selecting his two tops. This time it was a 4H Club member from Grey County, John Farrow of Chatsworth, who had the champion with Andrew King of Orton, Wellington County, getting the reserve. Halton had no entries in this section.

The third section brought together 63 white faces. When the cheer-

Miss Helen Mills was home from Toronto over Sunday.

We regret the removal of Mr. and Mrs. S. Wright and Alex and Shirley who moved to Willowdale.

Miss Jeanine Meloy visited Miss Kay Norton last week-end.

Visitors with the A. C. Pattersons on Sunday were Mrs. Ray McKewen of Nelson, and Mrs. G. K. Turner, Beverly and Carol of Orillia and Mrs. Ellen Wiley of Toronto and Rev. and Mrs. Murdo MacInnes of Beaverton.

Mr and Mrs. Blacklock and Mr. Stan Hood visited Mr. and Mrs. James Findlay on Sunday.

We regret an error in a euchre winner at the W.A. party report last week. Mr. Sam Gisby won second prize.

ing was over, we discovered that James Lavery of Dufferin had the champion Hereford with the reserve going to Murray Alexander of Bruce County. Robert Coxe of Nassagaweya Twp. was Halton's representative in this class and while he did not secure a red ribbon, he was in there giving a good account of himself.

Good Sportsmanship

While we were waiting for the steers to come into the ring to decide the Queen's Guineas winner, we couldn't help but note Sandy Buchanan, club leader of the Halton Beef and Dual Purpose Club, down in one corner, helping Katherine make sure every curl and hair on "Louie" was in place. Sandy, himself, is a veteran at the game because up until 1952, he annually was in there himself, fighting for the coveted award. He never quite made it, yet here he was helping one of his former rivals — that folks, is good sportsmanship.

A Popular Win

A tenacious rattle over the huge throng when judge Yule finally started to work on the breed champions — two Shorthorns — two Angus — and two Herefords. And then what cheers went up, when Katherine

and her steer got the nod with James Lavery of Dufferin Co. getting the reserve on his Hereford. One would be justified in concluding that only Halton folks were there — needless to add that was not true, because the parents, sisters, brothers and friends of everyone of the 180 4H Club members were there. It was indicative of the high regard and esteem in which Katherine is held by her fellow 4H Club members throughout Ontario. Katherine is a deserving winner — for six years she has been a top club member — once before she won the reserve award. Our readers may be interested to learn that nearly every night for the past six months, Katherine

has walked her steer two to three miles. Halton may well be proud of Katherine.

SHORN SHEEP:**

Our order runners will be glad to know that in future they may be spared the undignified and chilly experience of being sheared of their wool to keep us warm. A new lightweight lining material for men's and women's clothes combines fabric and aluminum to give more than three times the insulating value of a similar weight of wool cloth.

Humans, too, will be glad if this hastens the end of heavy, bulky winter wear. The material can be dry-cleaned, drapes well and is sufficiently porous to let the body "breathe".... Just one more example of the way Canadian manufacturers are combining aluminum and fabric for better, easier living. Aluminum Company of Canada Ltd. (Alcan).
