## Legion Notes

Back again, but this will be a very  
brief column this week.

Don't forget the monthly meeting,  
Thursday (tomorrow) night, Nov. 25.  
Sam Tennant promises a real sur-  
prise for lunch! So be on hand.

Darts and Cribbage are having a  
boom around the Branch such as has  
not been seen for almost three years  
since the last regular leagues were  
operating. This is certainly creating  
a lot of interest around the rooms,  
as well as bringing the odd new face  
about. The Branch is indebted to  
one of the dart enthusiasts, Gordon  
Jamieson for the classy new bulletin  
board in the dart room for sports ev-  
ents. This also carries the dart and  
cribbage standings.

The Christmas Tree committee ask  
that members start getting their draw  
tickets in as soon as possible. Also, to  
anyone wanting books, contact any of  
the committee.

And now just a few words of thanks  
to the Branch for the many kindnes-  
ses shown his wife and himself dur-  
ing the past few weeks. Certainly all  
the kind thoughts were appreciated —  
and we'd especially like to thank the  
1st vice president, Harvey Garvin for  
handling everything in such a capable  
manner in our absence, as well as the  
executive for their help.

The lower part of the Branch sure  
looks nice in its new paint job. Let's  
try and keep it that way.
