Curlers Lose to Erin in First Calvert Match
Thursday Georgetown entertained four rinks of ardent Erin curlers in the season's first competition for the Calvert Challenge Trophy. Play was keen and while the visitors carried off the spoils the local players gave a good account of themselves.
Refreshments were served later in the evening when president, Neil Robinson welcomed the visiting curlers and presented the trophy. George Ellenton and Bill Bush spoke briefly on behalf of the Erin Club. Skips and scores were as follows:
J. Chapman (G), & W. E. Bush (E)
12. C. Burt (G) 11, G. Ellenton (E)
12. J. Hepburn (G) 7, G. Horton (E)
12. J. Rice (G) 9, C. Barbour (E) 8.
Georgetown: Total 35, Erin 50.

Legion Notes • Record Birth Total At Peel Memorial
The regular monthly meeting of the Branch was held last Thursday evening. As the writer wasn't present he will not try to give a report of it. The first vice president Harvey Garvin, was in the chair in the absence of the president. After the routine business, reports of committees, and financial report, some matters were brought up under general business. The most important of these was the decision to put in lockers for the dart players. After the meeting had adjourned the entertainment chairman, served something unusual for lunch, which was evidently enjoyed by all.
The cribbage boys cancelled their Saturday afternoon tournament, because of the telecasting of the Grey Cup game. There seemed to be a fair crowd on hand to see it too. Incidentally, we hope soon to be able to give you a summary of the standings in the dart and crib leagues. In fact, we'll see if we can't get it rolling for next week.
The year certainly seems to be getting around to a close. The only two big events of the year are the annual Christmas Tree to be held on Thursday, December 23rd, and that big event of the year, the New Year's Frolic held New Year's Eve.
Incidentally, we wonder if recent additions to our membership thought to add their children's names to the Christmas Tree List. If not, possibly the Christmas Tree committee could still do something for them if they gave their names in promptly. The committee report that the vast bulk of the gifts have arrived, and are as always real gifts for the kiddies.
This year the New Year's Eve party promises to be a real success again, with favours for all, and an excellent band has been hired. We hope every member will try and be on hand for this affair.

The WMS met at the home of Mrs. H. Hilt on Wednesday afternoon. The theme of the worship service was "Discovery and Mission" was led by Mrs. Warner. Further plans for Saturday's bazaar were discussed and visits made and cards sent were recorded. The topic was in charge of Mrs. Hilt, assisted by other members and dealt with the many different religions or sects found in India which were so confusing to the native population. The meeting closed with a hymn and prayer.
Mr. F. Shortill and Mr. S. McKay attended the laymen's banquet held in Oakville Thursday night.
Mr. Arnold McEnery is at present in Guelph General Hospital undergoing treatment. We hope he will soon be much improved in health.
