**Raiders Lose Game
Tuesday to Markham**

Georgetown Intermediate Raiders, after an opening win last week against Milton, dropped their second game last night. Playing in Unionville against Markham, they lost a close 4-3 decision. Raiders have two games scheduled in the next week. They play Oakville here on Friday, and Milton will be back for another game next Tuesday.

**Burns Transport Leads
Industrial Hockey League**

Burns Transport took over leadership in the industrial hockey league Sunday when they pushed Hornby into the cellar by winning 6-2. Burns were sparked by H. Crystal's 3 goals. Bud Itaines, Mike George and Tom Wylie were also in the scoring picture. K. Richardson and D. White tallied for Hornby. Smith & Stone won their game 6-4 with Wilson's Warriors, to put these teams in a tie for second place. Each has won one game. G. Gibbs and G. Webster had two apiece for the winners and Jim Golden and Nick Nowakliki one. Carl Schenk got 2 and Dan Jarvie and Cunningham one each for Wilson's.

**BLUE VALLEY BOYS
ON ROXY STAGE**

The Roxy Theatre, purchased recently by Bill Leslie, who had been manager for a chain, returned to "live entertainment" last Wednesday with a bang up western show which filled the house for an afternoon matinee and an evening performance. Earl Scott and His Blue Valley Boys, who have played at many dances and put on many shows in the district were featured entertainers and the show had a western slant, with a Rex Allen movie completing the bill. Mr. Leslie hopes to present other stage entertainment in future to supplement his movie fare.
