### Complete Teen Program At St. John's Evening

Teenagers proved their worth as performers when the Young People's Society of St. John's United Church presented Teen Talent Night in the church hall a week ago Monday.

The entire show was planned by the group and performers were all in their teens, from emcee Don Souther to the cast of a play The Blue Jeans Girl which was directed by Ernest Hyde. Mr. Hyde was presented with a gift and his wife with flowers afterwards by the cast.

Entertainment included solos by Glenna Doherty and Paul Prust, an instrumental duet by Bill Whitney, guitar and Don Seddon, harmonica; and a Charleston dance by Betty Greig and Bob Tracey.

The high school boys' quartette sang, Paul and Michael Armstrong, Roger Addy and Peter Darlington. A square dance was performed by a group from the Y.P.S. Ann Hyde, Carol Seddon, Toni Lee, Gail McGilvray, Jim Sunnucks, Doug Wrigglesworth, Jan Hansen, and John Milham.

Cast of the play featured Leanne Darou as Nancy, Gail King, her mother, Judy McCumber, sister, Tom Dobbie and Sue Crabtree, friends, and Jack Sunnucks, talent scout.

### Mission Society Has Bazaar, Tea, Program

The members and associate members of the WMS held quite a successful bazaar, tea and program on Saturday afternoon. Mrs. Starred Leslie of Glen Williams was present and very capably auctioned off the articles for sale, aprons, towels, pot holders, home made candy and baking, pickles, jam and jars of cream, etc. Our thanks goes to Mrs. Leslie and all associate members who supported the venture so generously. Tea was then served to close a very pleasant and profitable afternoon.

### FORUMS DISCUSS FARM INSURANCE AS TOPIC

What types of insurance do you consider most important and is the average farm family adequately insured, were the questions considered by Farm Forums across Canada November 22nd.

Hall County Forums reporting considered all types of insurance were important with special emphasis on fire and automobile to protect your monetary investments. One fire can cause so much destruction and with traffic hazards what they are today, automobile insurance is very necessary to protect not only you and your family but also the public.

Medical and hospital insurance was also considered important but in this case you are responsible for the care of your own family only.

Some forums considered wind insurance of paramount importance. As we seldom suffer much loss from hail in our county that type might be eliminated.

With one exception the forums decided that the average farm family does not carry adequate insurance—the cost is too great. Most are carrying all and in many cases more than they need.
