Silver's

It's true! Just a whisker away, there's a store so crammed with Christmas... it's the next best thing to Santa! It's a store where Christmas comes from everywhere... from Canada's finest suppliers... a cashmere sweater that melts in your hand... a tie that's sure to melt his heart... a shirt that spells "good-taste"... It's a store where everything is beautiful... the jacket Dad wants and the robe you know he needs... the hat for Sue and the furry gloves to go with it. But best of all... this is a store where even the prices are beautiful... astonishingly, unbelievably low! Sound too good to be true? Believe it or not, there really is such a store. And if you're as smart as you are pretty... you'll go shopping at Silver's too!

Merry Christmas—Merry Christmas—Merry Christmas.
