Raiders Win Once but Drop Next Two Games

Not too much good news for local hockey fans in the week's play. Last Tuesday the Raiders trounced Milton here 10-2, only to lose a return match Friday 8-8. Last night Oakville defeated them 10-3 when they visited that town.
The juniors had an exciting game here last night with Aurora, who managed to grab a 5-4 win.

PARENTS VISIT SCHOOL TUESDAY OPEN NIGHT

Parents had an opportunity last night to visit Chapel-Street School to view the classrooms and to discuss their children's progress.
Each teacher was in the classroom, as well as a "Grade Mother" assigned by the Home & School Association, who introduced parents and teachers. Senior students acted as registrars for the visitors books.
The school was attractive with Christmas decorations, and there was a large turnout of visitors during the "open night."

MEMORIALS

HILL. In loving memory of my dear son, James Robert Hill, died December 18th, 1952. I am lonely here without you, son, I miss you more each day. For life has never been the same since you were called away. If I had all this world to give, I'd give it, yes, and more. To see your smile and hear your voice and meet you at the door.
Lovingly remembered, mother.

HILL. In loving memory of a dear brother, James Robert Hill, who died December 18th, 1952. To be with us in the same old way. Would be our dearest wish today. We will always remember the way that he looked.
The way he spoke and smiled, The little things he said and did. Are with us all the while.
—Sister Ella and Carman and family.
