LIMEHOUSE

45 PUPILS NOW HIRE NEW TEACHER

For the first time in fifty years, S. S. D. Gibbatt, serving Limehouse and the surrounding community, has two teachers again.

Mrs. Edith Wilson, St. Thomas, joined the staff on Monday and will be teaching junior grades while Mrs. Jack Lawson continues as teacher of the senior students. Growing enrolment, which has swelled to 45 at present, made it impossible to carry on the school with one teacher.

In 1900, when the lime kilns from which the village was named made Limehouse a thriving industrial community, the school had two rooms. It took its name Gibraltar from the rocky surroundings. Closing of the kilns led to a decline in population, but gradually Limehouse has had a rebirth as a residential community for people working in Georgetown and Acton, with a scattering of Mallon employees as well.

The upstairs of the school is being remodelled, and ratepayers of the school section are doing the work themselves to save expense. Until the new room is ready, both classes are being conducted in the one classroom. Mrs. Wilson is boarding at the home of Mr. and Mrs. Syd Kirkpatrick.
